'CHAIR'-ity Campaign

Villa Maria purchased 100 new chairs last fall for use in our dining and activity areas. These chairs are designed for the comfort of our residents and their visitors, as they enjoy meals and other daily events. We are inviting members of our parish family to help us in this costly, but necessary update to our facility.

Each ergonomically designed chair costs $300. To date, 25 chairs have been donated. Please help us reach our goal of 100 chairs. All donors will be recognized with a personalized donor plate that will adhere to the chair. You can recognize current or past residents of Villa Maria or your own family.

Thank you in advance for your help in continuing the mission of our founding pastor, Msgr. DeBlanc—to provide for the spiritual, physical, and educational needs of all members of our brothers and sisters in Christ.
