## 10TH SUNDAY IN ORDINARY TIME

### TENTH SUNDAY IN ORDINARY TIME

In today's second reading Saint Paul argues that a community's journey of faith culminates in the thanksgiving expressed in the Eucharistic meal, when the bread is broken, the cup of salvation is lifted up and the covenant with Christ is affirmed. In fact, he maintains that the entire community's "inner nature" is constantly being renewed in hope through this thanksgiving meal.

Good stewards understand that the weekly celebration of the Eucharist is a communal gesture by which the gathered community reveals its faith and hope in the risen Lord. Moreover, that it is a profound communal act of faith that Christ is present and active in the world at this moment.

Given that understanding, what responsibilities do we take on to lift up the faith of our community? What part do we play in giving it hope?

## Miscellaneous Items

**ADOPT A BED**—The summer season is here and it's your opportunity to volunteer to tend a landscaped bed at St. Andrew. Designated volunteers will take care of the weeds up to two feet away from the trees in the parking lot. So your job will be to weed close to and inside the trees. The vegetation close to the building is dense and requires more attention.

Family members, individuals and groups are encouraged to select a manageable area to keep clear of trash and weeds. You need to plan to spend at least one hour a week on your space in order for it to always look great. Look for the landscape display in the Narthex with areas to adopt. Please sign up for a bed and provide a contact number. Thank you for your support.
