

**1st Grade Summer Reading List**  
**(for students entering 2<sup>rd</sup> grade in the fall of 2020)**

Be sure to vary your summer reading with books of all genres! It is important to read fiction and non-fiction. In addition, many of the first graders are reading at a higher level. Please be aware of the content of the books your child is reading-higher level reading skills do not mean they will understand or need to be introduced to complex issues in higher level books. These levels were taken from the Scholastic Books site. Please look at the conversion chart or look up the level of the book.

\*Please note that the book levels listed by the same author, even books in a series, may vary as much as ten levels.
