

Dear Future Kindergarten Superheroes,

Mrs. Weidle and I are so excited to meet all of you this Fall. We hope you all have a safe and healthy summer! Over the Summer, we would love for you to keep practicing the skills you have learned in Pre-k! Practice your sight words, count different objects you may find in any adventures you have, and have someone read to you!

Below you will find the information for the required Summer reading and project.

REQUIRED BOOK: I Am Too Absolutely Small for School by Lauren Child

Before reading, I would like you to complete the worksheet that says "Making Connections Before Reading". What is something you are looking forward to learning about this year in Kindergarten?

After reading, complete the worksheet "All About Me". We learned a lot about Lola in the story. In the circles, draw pictures of things you like. Don't forget to draw yourself in the middle of the page.

Some other fun books to check out that we will be discussing in the beginning of the year are:

How to Get Your Teacher Ready by Jean Reagan

A fun activity, but not required..... ask your child for any advice they would like to give to Mrs. Weidle and I to help us get ready for the school year. You may email their responses to me.

Pete the Cat Series

Some fun websites to check out over the Summer are:

Coolmath.com

Sarfall.com

Funbrain.com

<https://www.education.com/games/kindergarten/>

We can not wait to meet you all! Feel free to contact me with any questions over the Summer months!

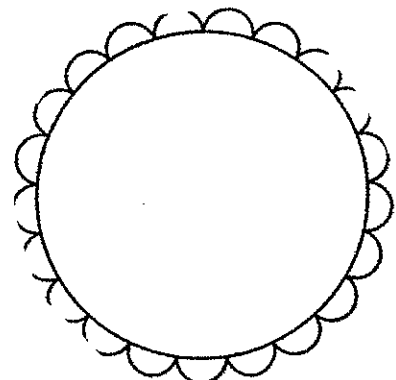

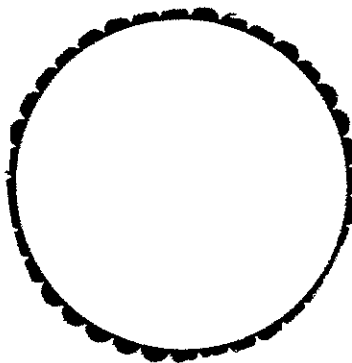

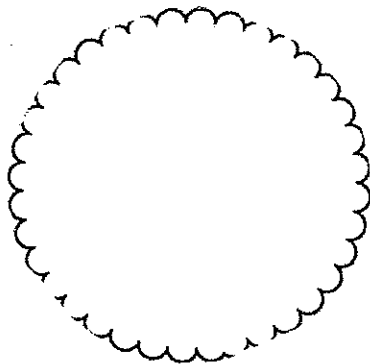

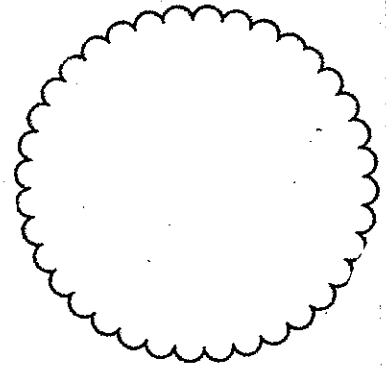

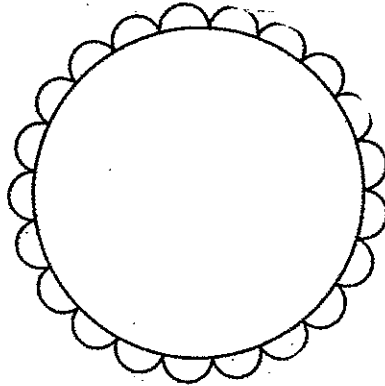

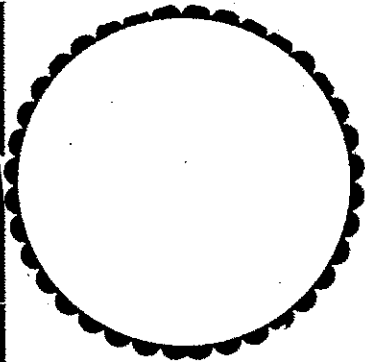

Love,
Mrs. Farley and
Mrs. Weidle

Name: _____

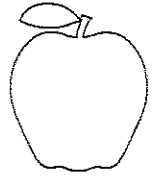

All About Me

We learn a lot about Lola from what she says and her actions in the story. Draw a picture that describes you in each of the circles below. Have a grown up help you write a word under each picture. Draw a picture of yourself in the middle in your favorite outfit.

Name: _____

Making Connections Before Reading

What is something you are looking forward to learning about this year? Use words and pictures in the box below to give your answer.

A large empty rectangular box with a thick black border, intended for students to write their answers and draw pictures.
