Culture of Commitment and Responsibility:

Present situation and the vision for altar servers - It is the hope that all servers will have a sense of commitment to the schedule vs. "if you happen to be at mass, vest and serve". Responsibility is a great character trait and we hope this will help cultivate that in our young people.

Albs:

Sizes include 7,8,9,10,11,12,13,14,15,16. Cinctures can vary in color depending on the feast day. Crosses are worn by all altar servers as part of their dress. The goal is that all albs will be hung up according to size in the sacristy closet.
