GARDEN REVITALIZATION 2019

You and those you love can be a part of our parish Grandparents' Garden, the Garden of Saint Ann, our patron, and her spouse Saint Joachim—parents of Mary, grandparents of Jesus. The garden is a place where people young and old visit, rest, and pray for themselves, their parents, grandparents, children, or grandchildren. It is a place to remember some important lessons passed on to us by those who have gone before us, to pray for those who have touched our lives. The statues that grace the garden are original works of art created by Fr. Leonard Carrieri, M.S.S.C.C.

The Grandparents' Garden has been revitalized through beautifying the plant beds, reconditioning and re-setting the benches, putting a new patina on the statues, and expanding the hardscape. We are offering the opportunity to personalize/memorialize a brick paver in the garden—for yourself, your family, or a loved one. Our goal is to get 150 newly inscribed pavers (bricks) to install—we have passed 100. **Up to three lines, each containing a maximum of 15 characters (including spaces between words) may be inscribed on a paver.** To reserve a paver, send \$100 to: Grandparents' Garden, Church of Saint Ann, 1253 Lawrence Road, Lawrenceville, NJ 08648. Make checks payable to "Church of St. Ann." Call 609-882-6491, ext. 116 if you have questions.
