

PARISHSOFT DIRECTORY UPDATE:

Our Parish Family Directory needs some real updating as decades of years have passed and the information data have mostly remained the same and so many times are no longer correct. Please take a short time to provide us with your correct information/s. The FORM will be posted on our Parish website. Please print and send to the parish office or drop in our mail boxes or offertory boxes as you come to church. We appreciate your help on this.

NAME: _____

ADDRESS: _____
