MY CHILD IS A JUNIOR THIS YEAR, SO WE KNOW IT'S TIME TO START THINKING ABOUT THE COLLEGE APPLICATION PROCESS. WHERE DO WE BEGIN?

With the ***HCP College Planner!*** This comprehensive resource is where you'll find valuable information, starting with specific HCP application procedures all the way to general college admission information, such as interviewing and essay writing tips.

WHERE SHOULD WE START LOOKING FOR SCHOLARSHIPS?

Look locally! The Kalamazoo Community Foundation believes the community members who will have the most impact on our community in the future are our young people. They also believe that each and every one must have an equitable chance to take advantage of the opportunities available. That's why their scholarship program each year helps hundreds of students (who live or go to school in Kalamazoo) access the skills, support, and money they need to take advantage of opportunities that will help them succeed." With over 44 separate scholarship opportunities, it is important to view each scholarship separately for award amounts and application deadlines, as each do vary. (Hackett students may find the "Clarence L. Remyse Scholarship" of particular interest.)

DOES HCP PARTICIPATE IN NATIONAL MERIT PROGRAM?

The National Merit Scholarship Program is an academic competition for recognition and scholarships that began in 1955. High school students enter the National Merit Program by taking the Preliminary SAT/National Merit Scholarship Qualifying Test (PSAT/NMSQT) – a test which serves as an initial screen of more than 1.5 million entrants each year – and by meeting published program entry/participation requirements.

Since 2010, HCP has had 13 students recognized by the National Merit Scholarship Program as either Finalists, Semi-Finalist, Commended, or Corporate Scholars. In fact, Hackett has had over 76 students as National Merit Finalists since we began in 1965. That's an average of 1.5 every year!

WHAT ARE HCP'S ACADEMIC REQUIREMENTS FOR GRADUATION?

Hackett does not permit early graduation. Courses which are required in the Hackett curriculum must be completed at Hackett and may not be replaced by outside offerings from any other institution, without prior approval of the administration.

HOW DOES MY STUDENT GET A LETTER OF RECOMMENDATION?

If recommendations are required, students are responsible for approaching teachers and asking if they are willing to write a recommendation for them. **Ask teachers in the late spring/early summer when they have more time.** Please do not request letters which you do not need.

Fill out the “Student Information Form for Letters of Recommendation”, and submit the completed form to the recommender when asking them for letters of recommendation. Include your resume with your request.

HOW CAN WE GET A COPY OF OUR STUDENT’S REPORT CARD?

In the past, end of marking period report cards have been printed and handed to students to take home. With the availability of RenWeb, students and their families have ongoing access to grades and scores, and we will now make hard copies of report cards available to parents upon request. If you would like a copy of your student's end of marking period report card, please contact Betsy Ulbrich at bulbrich@hackettcp.org or at (269) 381-2646.

CAN YOU TELL ME MORE ABOUT HCP’S NATIONAL HONOR SOCIETY?

HCP’s National Honor Society is overseen by advisors Amanda Jenrich and Amy Johnston. The four pillars of the National Honor Society are scholarship, leadership, service, and character. Hackett’s chapter, which was founded in 1965, is named for Father Gabriel Richards, who was instrumental in the early development of Detroit. In 2016, 42 seniors, 37 juniors, and 42 sophomores were inducted or re-inducted. The Hackett NHS strives to offer extensive opportunities for service and leadership roles to help students grow in faith, character, and life experience. Our chapter has a particularly strong commitment to service, and our members enthusiastically perform service to many organizations above and beyond the school requirement of 20 hours per student.

All students are expected to complete 10 service hours each year specifically for NHS. Most are done as a group. Service in the past has included:

- Habitat for Humanity
- Blue Star Mothers Operation Holiday Cheer (Christmas Packages for soldiers)
- Salvation Army (Bell Ringing)
- Ministry with Community (Playing games with clients)
- Nature Center Maple Sugar Festival
- Project Sticker Shock with Kalamazoo County Substance Abuse Task Force
- Find Yourself at Hackett Tour Guides
- Heritage Community (Caroling and social hour with senior residents)
- Peer Tutoring at Hackett and local elementary schools
- Rock Your Socks Sock Drive for Northwood Elementary Community in Schools
- Christmas cards for Northwood Elementary Community in Schools

WHAT IS THE SELECTION POLICY FOR THE NATIONAL HONOR SOCIETY?

Five teachers make up the National Honor Society Selection Committee. According to the National NHS by-laws, they must seek members who are strong in the four areas of academics, citizenship, leadership, and volunteer service.

To qualify academically, the potential member must have an overall GPA of at least 3.4 after the end of the first semester of the current academic year. Good citizenship and leadership are determined by the student's behavior inside and outside the classroom, as well as through the school, non-school, and church activities in which he or she is involved. This information is provided by the potential member on a resume which he or she submits and through a survey of all teachers and administrators at HCP.

The student must also have been active in volunteer service, which might include work with organized groups or informal service to the family and neighbors. It is important that there be a substantial record of volunteer service **beyond** that which was completed for required school or Confirmation service hours. There is no quota in the number of members who may be selected.

WHAT IS THE COMMUNITY SERVICE CRITERIA FOR GRADUATION?

All students are required to complete a minimum of twenty hours of service each year.

The requirements per class currently are:

Freshman

20 hrs. - family, community, parish

Sophomore

20 hrs. - community, parish, HCP

***Junior**

20 hrs. - community, parish, HCP

***Seniors**

*For Juniors and Seniors: A minimum of 10 service hours of your year's requirement must be completed at a pre-approved, non-profit agency.

DOES HCP OFFER ADVANCED PLACEMENT AND/OR HONORS CLASSES?
