

# Commemorative Brick Program

Catholic education holds a special place in the hearts and memories of generations of the Irish.

Through our Commemorative Brick Program, you can etch your name into our history and leave a legacy for family members, friends, and future Irish.

Sponsoring a brick is a wonderful way to honor or memorialize a loved one, friend, favorite teacher, or coach — or commemorate a graduation day, major milestone, or anniversary.

You can show your Irish spirit by adding your family name, the name of an individual you would like to honor or memorialize, or an inspirational inscription—to our patio.

Your commemorative brick will be a memory in stone—where students, coaches, parents, alumni, and other members of the Irish community will be walking, meeting, and reflecting for generations to come.

Your options are limited only by your imagination----

*Engrave a brick with your family’s name, along with your children’s names and their Hackett graduation years.*

*Engrave a brick with a short personal memory or quote.*

*Alumni who were members of an athletic team can pool their contributions to purchase a brick on behalf of the entire team.*

*Alumni from a specific class year can pool their contributions to purchase a brick on behalf of their graduating class.*

**Don’t miss this chance to make your mark!**

**Yes! I want to make my mark at Hackett with a personalized commemorative brick.**

PURCHASER’S NAME \_\_\_\_\_

STREET \_\_\_\_\_
