Decisions

<p>1. Open Forum</p> <ul style="list-style-type: none"> ● Issue with track and CBA practice. Gym is backup location for practice with inclement weather. No longer an option because CBA is using gym at this time. Dan requested 3-5pm, April-May. Rob wasn't available until 5:15pm. Kelly approved based off of after school block from Dan. ● Traffic from CBA makes practice in parking lot dangerous. Fr. Dan doesn't like closing St. James' entrance. Cone off lane for sprints in front of school office or use upper lot. ● Welcome Kelly Stripling who is representing Catholic Formation with parish based athletics. ● Plans for field and parking lot during summer <ul style="list-style-type: none"> ○ Field will be reseeded once school is out and will be fenced off during the summer to help grow ○ Option to extend parking lot on the north side where hoops are or reposition hoops in parking lot so balls aren't going into grass or water ○ if we have funds, paint free throw line and 3-point lines
<p>2. Basketball</p> <ul style="list-style-type: none"> ● Offseason basketball training <ul style="list-style-type: none"> ○ Current 6th grade girls are practicing Monday afternoons starting May 6th. 2 parish based athletes are included. ○ Arch has policy that prohibits sponsoring of said training. Athletic association cannot pay for this. ● Summer program offerings given to parents for spring/summer activities. HHS and local schools offer, too. <ul style="list-style-type: none"> ○ Joe Chapman could do camp like Schramka for the first two weeks of vacation. Camps tend to be day care. Need to be developing skills per Mike Broeker. <ul style="list-style-type: none"> ■ Chapman training sessions can be offered. No camp or LC in the description. Publish in bulletin. Would be open to all LC students/CF participants in 5th-8th grade, boys and girls. After sign ups, schedule would be set per grades. ● First two weeks of practices (November) start with drills for all grades to get kids into basketball mode. ● Program direction <ul style="list-style-type: none"> ○ Set goals/skills each player should be able to perform by the end of each grade: dribbling, passing, layups vs. just scrimmaging

Mission and Catholic Identity

Technology Integration

- Provide supplemental sheets for plays. Teach concepts, not just specific plays.
- Nikki and Robin have coaches binder with relevant and useful drills that are goal oriented per grade.
- Offseason suggestions for all sports with guidelines for all activity
- Coaches
 - Board has to vote on, can't just randomly assign them
 - Continuity important-ideally same coach from 7th-8th grade.
 - Slight distinction between parent of school kids vs. outside adult: choose best coach for the job
 - Moving to parish based opens up opportunities
 - Coach evaluations go to Kelly Fyfe and Kelly Ryba. Specific parent feedback to Robin.
 - 2019-2020 coaches
 - Chris Roloff/Tim Briscoe and Tim Maciolek-6th grade boys. Need even split. Coaches determined last year. Need to have non-involved party do this.
 - Rob Muillenberg/Jason Wermers-7th grade girls
 - Matt Cesarz-8th grade girls
 - Mike Broeker-8th grade boys
 - Nikki can help with practices for 5th/7th grade girls. NA Saturdays. Chad VanLaanen 5th grade girls?
