

LC Relaunch Plan

Learning Models

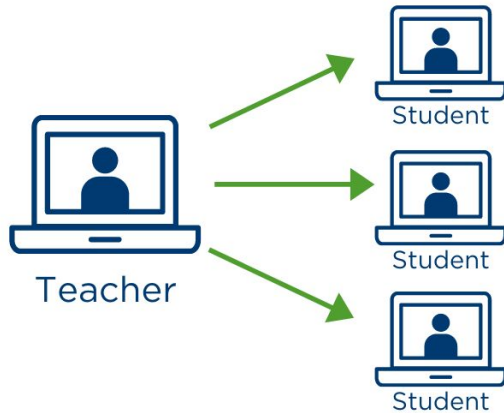

Learning Models Defined

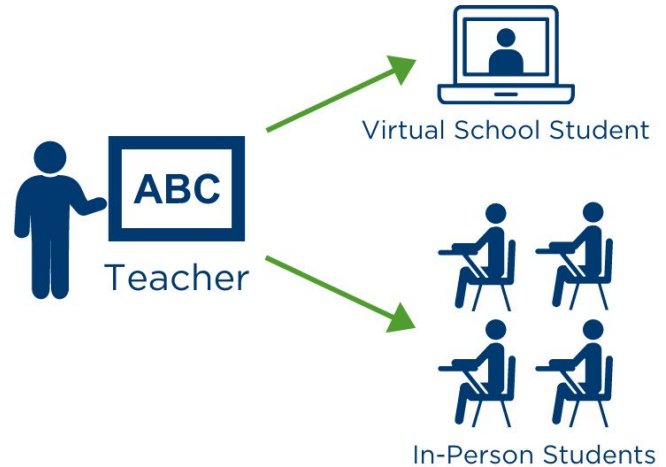

We are prepared to accommodate individuals, classes, or the entire school to be quarantined or locked down at any point. We are preparing plans to operate under the following circumstances:

- Face-to-face instruction (5 days a week)
- Distance Teaching
 - Temporary quarantine for a entire cohort (class or grade level)
 - Entire school closure
- Virtual School
 - Virtual learning trimester for families who are not comfortable sending their child(ren) back to school
 - Temporary short-term quarantine of a student

What is the difference between Distance Teaching and Virtual School?

Distance Teaching

Virtual School

Compare the Models

	FACE-TO-FACE INSTRUCTION	VIRTUAL SCHOOL	DISTANCE TEACHING
When is this model utilized?	When the student is in school.	When a student is temporarily quarantined or a family chooses virtual learning for the trimester.	When an entire cohort is temporarily quarantined or the entire school is closed.
Where does the learning occur?	At school	At home	At home
When does the student attend?	During the scheduled school day.	Mirrors school day schedule but there may be more flexibility than his/her face-to-face schedule.	Schedule will be provided with asynchronous and synchronous meetings times.
