

2020-2021 Peer Leadership Program

In an effort to improve the quality of Catholic community at Lumen Christi, the High School Catholic Formation department has invited all newly-confirmed (or soon-to-be confirmed) students to take part in the **Senior Peer Leadership Program** to lead the sacramental preparation efforts of the junior class. We also have additional options for leadership opportunities.

As a member of the Senior Peer Leadership Program, students will:

1. Help coordinate the Confirmation Program small group content.
2. Co-lead a group of juniors throughout the 2020-2021 formation year. This year a young adult and 2 senior leaders will be paired together for formation.
3. Attend all formation sessions for your scheduled day (Sundays, Wednesdays or Zoom Home Study)
 - a. If you will be unable to co-lead a session with your partner, arrangements will need to be made to find a substitute *at least* one week prior to the class
4. Attend Mass every Sunday.
5. Attend our Leadership team feedback meeting following small group (once a month)

Additional opportunities for leadership include:

6. Being trained to participate in the Mass liturgy as Eucharistic Ministers, Ushers, and Lectors
7. Assisting in planning and/or help lead our high school retreats (Freshman, Sophomore, Junior)
8. Assisting in planning and implementing additional social and faith based programming for the high school youth.

We hope that you are interested in walking alongside your peers as you grow in understanding your own faith and relationship with Christ. Senior Peer Leaders are teens who are striving to be the best version of themselves, and are willing to share themselves with other teenagers by working directly with the youth minister and other peer leaders to help plan events, lead retreats, and by being a daily role model.

Please take a look at the schedules attached for the year and take into consideration that your commitment to this opportunity will change lives and encourage this year's juniors to continue this leadership program next year. We look forward to having your ideas and experience contribute to this new program!

Please know that while we would like you to be present at majority of the classes, we understand you have busy schedules as well. We will work with you to accommodate your schedule as needed. Having to miss a day or two will not exclude you from being a Senior Peer Leader.

If you agree to the above expectations and would like to join the Senior Peer Leadership Team please complete the fields below and return to the parish office no later than Monday, September 14th.
