

**ST. AUGUSTINE CHURCH  
CAPITAL CAMPAIGN**

# SPONSORSHIP PLEDGE FORM

[StAugRestoration@gmail.com](mailto:StAugRestoration@gmail.com)

St. Augustine Catholic Church is publicly launching the Restoration Campaign to rebuild and restore this beautiful historic church built in 1841 by Free People of Color. We would like to offer you the opportunity to be a sponsor of this joyous and significant campaign.

St. Augustine Church in Tremé is a historic treasure, a religious haven, a testament to the love of God and community, and a monument to the history and culture of New Orleans; the African American culture of the United States, and the African American and Creole culture of Tremé.

St. Augustine Church was built in 1841, making it 177 years old this year. The structure is so compromised that it leaves her vulnerable to storms, decay, and other conditions that may result in the closing of her doors forever and is in dire need of major renovations.

Phase I focuses on the restoration of the Church and rectory at a cost of \$2.5 million dollars. (See Project Cost Breakdown Fact Sheet.)

We believe that losing Saint Augustine Church would prove more damaging than just losing a historic or sacred place. It would be losing a testament to unity, love, inclusion and brotherhood.
