Fall Dinner—St Jude's

This Sunday—Noon to 5pm

CATECHETICAL SUNDAY 2018

**Adult Education Classes coming soon to St. Jude's!
Open to all!**

From its inception the Church founded by Jesus has had its share of problems. Major renewals and reforms dot the landscape of our Church's history. Sometimes the Holy Spirit just needs to do some housecleaning to get the Church back on track. Remember Martin Luther and The Reformation? The thing is, even though Jesus is our foundation, we the Church are fallible humans and we mess up.

Come join us beginning September 23 at 7 p.m. at St. Jude's for The Reformations. This is a 12-week course presented by Dr. Christopher Belitto, Ph.D., in DVD and discussion format. Cost of the course is \$10. Bring your friends and neighbors!

In this course we will learn about Church reforms before Luther, about challenges that have arisen regarding Church authority in society, about a time in Church history when there were three popes deciding who was the real one! Let us be encouraged by the workings of the Holy Spirit who leads the charge, carrying the battering ram against the gates of hell and the Evil One who is bent on destroying Christ's Bride, his beloved Catholic Church.

If you have any questions or would like to state your intent to attend this class, please text Bea Berg at 701-213-2028, or email Mary Franklund or Bea at franklundm@gmail.com or beadoug16@gmail.com.

The annual Catholic Charities Financial Drive is September 29–30, 2018. An envelope will be located in the pews this coming week. A presentation will be made on the weekend of the 30th of September.

Abortion is often portrayed as essential for women to achieve freedom and equality with men, yet many report feeling some degree of pressure or aborting to please someone else—often their partner. Further, after the abortion, many women report feelings of depression, suicidal or self-harm inclinations, sadness, shame, and regret. For example, Cynthia Carney in an amicus brief submitted to the Supreme Court described the aftermath of her abortion saying, "For 23 years, I went into crying spells, depression, suicidal thoughts. Emotionally it devastated me." Camelia Murphy explained, "I have suffered with low self-esteem, self-hatred, suicidal impulses, constant anxiety (especially about sex and about making decisions)." Donna Razin said that her abortion caused her "deep regret - initially I was suicidal - as the years have progressed I have developed a heightened level of bitterness and anger and self-hate." Women would be better served if society tried to creatively answer the needs of single mothers, mothers trying to get through school, mothers needing higher or more stable finances, etc. rather than telling them that the death of their children is the best answer. We can and should do better for all women.

Scripture Note: In his preaching, Jesus often used natural signs to reveal the secrets of the kingdom of heaven (CCC 1151), such as in the parable of the sower where he used the sowing of seeds to teach about persons' responses to hearing the Word of God. As we saw in the Gospel, Jesus also uses "signs of creation" in his physical healings (CCC 1151). For example, in today's reading, Jesus uses touch, reminiscent of God forming Eve from a rib taken from Adam's side.
