Epiphany is celebrated as the first manifestation of Christ to the Gentiles, represented by the Three Magi coming from distant lands. The word "epiphany" originally meant a manifestation or appearance of something, often a divine being. Today, when someone has an "epiphany," it also means they've had a sudden insight into the deeper meaning of something. In the Epiphany we see all these meaning come into play. It presents a realization that the Messiah was not just for the Jews, but also for the Gentiles. The stars and prophecies, signs from the heavens made by God and inspirations of the Holy Spirit, both point to a great king being born. The Three Magi themselves coming to pay homage to a newborn king is also an epiphany: it gave a sudden insight into the deeper meaning of the Messiah.

The 2019 North Dakota Legislative session has started.

Sunday Mornings in Crosshairs
HB 1097 aims to repeal North Dakota's Sunday morning opening laws. The reasonable laws have served North Dakota's families and communities well by putting people before profit and convenience. Contact your House members and urge them to preserve this important part of North Dakota life. The hearing on HB 1097 is Wednesday, January 9 and 9:00 a.m. in the Peace Garden Room. Please come and show your opposition to this attack on Sunday time.

What Did Frankincense Represent in the Bible?

Frankincense is an aromatic resin that is obtained by cutting the bark on a certain species of tree. The most popular use of frankincense in the Bible was the burning of incense by the priests. The frankincense that the wise men gave to Christ symbolized His priesthood. The Bible plainly teaches that Christ is our High Priest. He makes intercession for our sins, and He is the eternal sacrifice for our sins.

Fr John will be away attending a Biblical Conference Jan 7th to the 11th, 2019. Please pray for good traveling weather.

What Does Myrrh Represent in the Bible?

Myrrh is the third gift given to young Jesus. What is myrrh? Myrrh is also a gum-like resin, similar to frankincense. It is obtained from a bushy tree. Myrrh has a pleasing aroma, and it had many uses in Biblical times (such as incense or perfume). In the Bible, however, myrrh is most frequently associated with suffering and death. It was often used as an embalming fluid since the potent aroma would help mask the stench of a decaying body. The gift of myrrh symbolized the suffering and death that our Messiah would face.
