

SFds Dads Club Meeting Notes

Wednesday, December 19th, 2018

In attendance:

Those in attendance determined we would prefer to meet at a location other than the library. In light of that preference, the next meeting has been scheduled to happen at the Shamrock Inn (9161 S. Gessner 77074). James Hieger is hopeful that he can get a reduced price on some food too for that matter! Also, the group decided (due to some availability conflicts) to have the January meeting on Monday, January 14th at 6:30 PM. This is the initial notice. I'll send another one out a week prior to the event.

Outstanding business:

- We still need to have votes on officers.
- We need a list of stuff the school is already going to ask us to do such as camp out night and sparkle day.

Other notes:

- We will keep track of who does and who does not show up to do our SFDS Valiant Dad projects. We are waiting to find out when we will do the Gabriel project move project. We need to add that to the annual list, I think.
- We want to have father child get-togethers like at Skeeter baseball games, father daughter dance, and like events.
- We need to stress the need for the wives of the guys we want to join us to make them join us. The power is with the mothers!
- We need to remember to open and close with a prayer.
