APPLICATION FOR IN-PARISH TUITION- 2021-2022 SCHOOL YEAR

St. Francis de Sales Catholic Church supports and financially subsidizes the ministry of St. Francis de Sales Catholic School. The church relies on the support of its parishioners to be able to provide assistance to the parish school. When a family applies for the IN-PARISH tuition discount it is **understood and is an expectation that the family be a supporting, participating, registered parishioner to remain eligible for that tuition rate.**

In order to receive the discounted tuition rate from St Francis de Sales Catholic Church, **all of the following must apply.** Please initial each requirement to indicate your agreement and commitment to fulfilling the obligations of being a supporting, registered parishioner.

____ One parent or legal guardian must be a **practicing Catholic.**

____ The family **must be registered** at St. Francis de Sales Catholic Church.

____ The family is obligated to attend Mass weekly at **St. Francis de Sales Church.**

____ The family must actively participate in **church ministries and school activities (SOS).**

All families are admitted to the school under the regular out of parish tuition rate. You will receive a response to this application and will be informed of your tuition rate based on your commitment to the St. Francis de Sales Parish. Failure to participate in the aforementioned contributions through time, talent, or treasure will forfeit the in-parish tuition at St. Francis de Sales Catholic School.

Thank you for the sacrifices you make to provide your children a strong Catholic foundation in their faith and an outstanding education.
