

8th Grade ISEE Exam Prep Class

This course is designed to help students prepare for the ISEE entrance exams for the area Catholic high schools. If your student is not going to attend a Catholic high school, they will not need to take this test. Classes will be held on Wednesdays from 3:30-4:30 PM beginning September 8 – October 27. This is not a required class, but is a benefit to students who will be taking the entrance exams. Students are expected to exhibit proper school behavior.

The cost: \$50.00 plus book (sold separately). Make checks payable to SFdS School.

The book: *Princeton Review SSAT & ISEE Prep, 2022*: ISBN-13: 978-0525570509. Students must purchase their own books (available on Amazon, Barnes & Noble, etc.). Please ensure that you use the correct ISBN number when ordering.

Parents and students: be aware that registering for the test is done independently of the high schools or SFdS. The schools are not involved in the test registration process.

Please visit the high school websites for more information.

Please fill out and detach the form below if your student will be attending this class.

_____ (Student Name) will be attending the ISEE exam prep class.

I understand that the students need to purchase their own book.

I have included the fee of \$50.00 for the course. Make checks payable to SFdS School.
