## **SECTION I MISSION AND CATHOLIC IDENTITY**

### **PHILOSOPHY**

We, at St. Francis de Sales Catholic School, acknowledge that parents are the first and foremost educators of their children and are charged with the challenging task of creating a family atmosphere animated with love and reverence for God and all people. We recognize, too, that the family is the first school of those social virtues which every society needs (Christian Education Vatican II). We are privileged to assist parents in the task of educating their children.

Central to the educational mission of St. Francis de Sales Catholic School are the teachings of Jesus Christ. At St. Francis de Sales Catholic School, we are dedicated to helping students live the Gospel. We recognize the importance and uniqueness of each student and are committed to helping each student recognize the importance and uniqueness of self and each other.

It is the joint responsibility of students, teachers, and parents to make St. Francis de Sales Catholic School a faith-filled community where the primary purpose of education, helping students reach their potential, is enlivened by the Gospel spirit of freedom and charity.

The aim and desired result is to graduate students who are well-versed in the Catholic faith, Christian in their attitude and outlook, and academically prepared to continue their education.

### **MISSION STATEMENT**

The mission of St. Francis de Sales School is to educate each student in a spirit of faith and academic excellence according to Roman Catholic principles. As part of a caring, disciplined community, our school, in partnership with parents, nurtures and challenges each student to develop to his or her fullest potential.

#### **Committed to Educate the Whole Child**

Catholic school education is rooted in the conviction that human beings have a transcendent destiny, and that education for the whole person must form the spiritual, intellectual, physical, psychological, social, moral, aesthetic, and religious capacities of each child. Catholic schools should develop and implement academic, cocurricular, faith-formation, and service/ministry programs to educate the whole child in all these dimensions (The Catholic School, 29).

#### **Steeped in a Catholic Worldview**

Catholic education aims at the integral formation of the human person, which includes “preparation for professional life, formation of ethical and social awareness, developing awareness of the transcendental, and religious education” (The Catholic School, 31). All curriculum and instruction in a Catholic school should foster: the desire to seek wisdom and truth, the preference for social justice, the discipline to become self-learners, the capacity to recognize ethical and moral grounding for behavior, and the responsibility to transform and enrich the world with Gospel values. The Catholic school should avoid the error that its distinctiveness rests solely on its religious education program (Miller, 2006, pp. 43–45, 52).

#### **Profile of a Graduate**

Catholic schools in the Archdiocese of Galveston-Houston are dedicated to the educational mission of the Church as we prepare students for Heaven, college, and career. Our schools are distinguished by an educational atmosphere which relates religious belief and practice, constructively and integrally, with the normal development and education of youth. Or graduates

possess characteristics that enable them to live faithfully as disciples of Christ who transform the world. Catholic School Graduates reflect the FACE of God as:

*Faithful Disciples* who receive the love of God, are intentional in forming a relationship with Christ, participate fully in a sacramental life and devote themselves to the service of others, demonstrate Catholic and Gospel values, and model the beliefs to the Catholic faith in everyday life.

*Active Learners* who possess a continuous thirst for knowledge, demonstrate academic integrity and persistence, and seek collaboration in efforts to build strong communities for the greater good and the glory of God.

*Critical Thinkers* who, through the lens of the Catholic faith, prayerfully accept challenges, engage intellectually and creatively, exhibit a strong work ethic, and demonstrate capacity for problem-solving and reflection.

*Effective Communicators* who speak and write with fluency, clarity, and competence, who listen honestly and sensitively, and respond critically in light of the Gospel.

### **Principle of Christian Charity**

As a Catholic school community, Christian charity and respect shall be observed at all times on our campus and in written communications. The following actions, on the part of parents or other family members, will be termed a violation of Christian charity and may result in dismissal from the school:

1. Public criticism of school personnel or procedures.
2. Threats of any nature toward personnel or families.
3. Verbal and nonverbal acts of aggression, including: yelling, screaming, pushing, etc.
4. Public discussion of student and/or family matters based on confidential information obtained because of volunteer duties, etc.
5. Use of social media to discredit the school in any way.

This school does give admission preference to Catholic students who are children of supporting parishioners of St. Francis de Sales Church.

### **Financial Policy**

It is the parents' financial obligation to support the school by paying tuition on the first or tenth of every month. Payment plans are available through FACTS. After the 10th day of the month, tuition is past due, and a \$30.00 late fee is assessed to all delinquent accounts. Until permission is granted, the family will pay the out-of-parish rate.

Please note:

- All fees (application, registration, book, supply, etc.) are non-refundable.

### **Tuition Assistance**

Limited tuition assistance is available through the Archdiocese of Galveston-Houston and from St. Francis de Sales School. Parents should fill out the tuition assistance application from “FACTS Grants and Aid” to begin the process. Please note deadlines for assistance. Using the information from the “FACTS Grants and Aid” the school, when possible, grants limited financial assistance to qualified eligible parishioner families. Financial assistance is not usually awarded during the first year of enrollment.

### **Attendance**

Daily school attendance is the best way to assure academic growth and is required by state law. Students are expected to be in school unless they have a valid excuse. Parents are to email the homeroom teacher and clinic manager @ [clinic@sfdsschool.org](mailto:clinic@sfdsschool.org) or telephone the school office at 713-774-4447 before 9:00 a.m. to report absences.

Students arriving after 11:00 AM or leaving prior to 11:00 AM will be marked one half day absent.

The following are accepted excuses for absences: illness, death in the family, doctors’ appointments, and any emergency situation approved by the Principal. All other absences are considered unexcused. School is a priority, therefore, please make every attempt to schedule medical appointments after school.

Recreational trips or vacations taken during regularly scheduled school days are strongly discouraged particularly in cases where the student’s academic performance is marginal. If a student misses school for such events, the student is responsible for making arrangements with his/her teacher prior to the absence. Make-up work must meet teacher-provided deadlines. Semester exams for 8th grade and final exams for 7th grade will not be administered in advance.

Students in grades K-8 must attend class for 90% of the time it is offered to be promoted to the next grade. The 90% rule applies to all absences, excused and unexcused. If the student does not meet this requirement an attendance committee may convene to determine promotion depending on the circumstances.

Due to the ongoing pandemic, perfect attendance awards will not be distributed this year.

### **Arrival**

Upon arrival, students should be dropped off using the car line. Drivers, please do not block the curved driveway in order to allow BASP students to exit their vehicles. Students should be ready to leave the vehicles with books and backpacks in hand. A Covid-19 checklist will be on the back of the car tags and parents/drivers will be asked to verify the information on the checklist each day when dropping off students. Temperature will be taken upon exiting the vehicle. If temperature is below 100 degrees, students will proceed to the hand sanitizer station and then to class. If the temperature is 100 degrees or higher, the driver must pull forward and wait for a second temperature check. If the temperature is lower than 100 degrees, students may attend school. If temperature is 100 degrees or higher on the second attempt, students may not attend

school. Please do not park cars and walk children to the building. If one has business at school, you must have an appointment. PLEASE DO NOT WALK THROUGH THE CAR LINE.

If the temperature is 100 degrees or higher, the driver must pull forward and wait for a second temperature check. If the temperature is lower than 100 degrees, students may attend school. Walkers enter through Roos Rd. gate where temperatures will be checked. Same rules apply to walkers regarding temperature readings.

7:30 AM Gate Opens

8:05 AM Gate is Locked

The first bell is at 7:50 a.m. All students, PK-8, are expected to be ready to begin lessons when the tardy bell rings at 7:55 a.m. Students arriving in class after the second bell has rung are tardy. We regard tardiness as a breach of courtesy since it disrupts the class.

### **Tardies**

Please help your child have a successful start to the school day by being on time or early to school as tardiness hinders student learning. Children who are tardy find it difficult to “catch up” throughout the day. If a student arrives after the tardy bell, parents are to park their vehicle and accompany the student to the front office to sign in. Students in grades PK – 3<sup>rd</sup> Grade must come to the front office first before entering the Primary Building. All late arrivals are recorded and become a part of the student’s permanent record.

Middle School students will receive a demerit for each time they are late to school in the morning or late to class without a valid reason. Excessive tardiness will be subject to administrative review.

### **Dismissal**

PreK through 8<sup>th</sup> Graders dismiss at 3:15 PM except on designated Early Dismissal Days when the school dismisses at 2:15 PM for Professional Development or on noon dismissal days. Classes for PreK3-3rd Grade dismiss at the back parking lot. 4th - 8th Grades dismiss to the front carline. Early dismissal days are indicated on the school calendar on the website. Students are not permitted to jaywalk across Roos Rd. to enter parked cars even with a parent escort. Younger siblings dismiss with the oldest child in the family at the oldest child’s dismissal area. No student may walk to a car in the back parking lot with or without a parent. Parents may be asked to pull forward if the student is not ready for dismissal.

Students are never allowed to leave the school grounds without written permission from their parents and the approval of the Principal. Lansdale Park, across Roos Road, is off-limits to all students unless they are supervised by a parent or teacher. To be in the park without a parent is reason for suspension.

### **Early Dismissal at Parent Request**

If a student is going to be taken out of school early for any reason the student should know this prior to arriving at school. A note or email to the homeroom teacher will help the process. In the case of an emergency, please call the office before coming to get a child for an early dismissal. If a child is sick and the school calls for the parent to come get the child, the parent comes to the front office, signs the child out and then proceeds to the clinic to accompany the child to the car while adhering to the school's safety protocols.

NO EARLY DISMISSALS will take place between 2:30-3:15pm. If it is necessary for a parent to take a child out of school this should be done BEFORE 2:30 pm.

### **Messages from Parents to Children**

If it is necessary for a parent to inform a child about an *emergency* change in after school arrangements, PLEASE notify the office BEFORE 2:00 pm so that the office staff will have time to deliver the message.

### **Car Line**

The carline is a "No Cell Phone Zone". Safety first!

For the safety of our students, we ask that you use one of the two car lines in operation before and after school. One car line is in the back parking lot and one is at the Roos Road drive-through. Please explain our car line procedures to family members designated to pick-up at dismissal time. All drivers are expected to comply with school policies regarding driving on our premises.

Faculty members and parent volunteers are on duty to assist you, and we ask that you comply with their directions. Please stay in your car and proceed to the forward most position.

- Students ARE NOT to be picked up in any area other than the designated car lines.
- Students, even with parental escort, will not be allowed to Jaywalk across a street. Parents may walk with a student using the designated crosswalks.
- DO NOT GET OUT OF YOUR CAR while in the car line. If a child is late, you will be asked to pull forward.
- Parents may not park in the Roos Church Office parking lot or the Roos drive-through/Fire Lane.
- Traffic through the Roos drive-through must be single file.
- Only *right turns* may be made when leaving the Roos drive-through or back parking lot at arrival and dismissal times.
- Ensuring the safety of our children and all other pedestrians is the primary responsibility of all drivers in and around the school premises. Designated speed limits, loading and unloading zones and all other traffic regulations must be strictly observed. Road courtesy must be practiced at all times.
- The Houston streets surrounding the school are school zones with posted 20 mph speed limits during school hours. The campus speed limit is 5 mph.

- Families in violation of car line procedures, will receive a warning notification letter from the Principal with follow-up action for repeated violations.

### **Car Tags**

Cars shall display their car line tag by hanging it in the front windshield. A Covid-19 checklist will be on the back of the car tags and parents/drivers will be asked to verify the information on the checklist each day when dropping off the students. All students must have a car line tag regardless of their dismissal plans. Please help your child know how to recognize your car and memorize your car tag number.

### **Walkers**

Walkers must have a signed parental permission form on file in the office. Faculty will cross walkers leaving the campus. Walkers in the Upper School will congregate outside Room 1 and wait for the faculty supervisor to escort them through the front gate and safety through the crosswalk following the carpool dismissal. Walkers in the Lower School will congregate outside the kindergarten classroom and wait for the faculty supervisor to escort them through the front gate safely through the crosswalk following the carpool dismissal.

### **Supervision of Students**

St. Francis de Sales Catholic School provides adult supervision for all students between the hours of 7:30 AM and 3:30 PM on regular school days and between the hours of 7:30 AM and 2:30 PM on early dismissal days. Students should not be on school grounds outside of these hours unless they are under the direct supervision of a parent, guardian, or authorized extracurricular activity sponsor.

Supervision is not provided for students arriving before 7:30 AM and will be sent to the Before and After-School Program (BASP) with fees incurred. Students remaining after 3:30 p.m. on a regular school day or after 2:30 p.m. on an early dismissal day, who are not under the direct supervision as stated above, will be sent to the BASP for adult supervision. Parents will be charged the Before and After School Program rate.

Students may attend sports events as spectators when accompanied by their parents or supervised by another adult at their parent's request. Arrangements must be made prior to the day of the activity. Students may return to campus for extracurricular activities at the scheduled time when accompanied by an adult. Those participating in after-school activities will be assigned to a supervised study hall or area, if necessary, until the activity begins.

### **Late Pick-Up Policy**

Only those children who are supervised by a sponsor as a participant in an approved activity may be on the school grounds after 3:30 PM. Siblings or other carpool members who are waiting for a student participant must be supervised by an adult (not the activity sponsor) or they will be managed under BASP and charged the BASP rate.

### **Telephone Calls**

Permission to use the office telephones will be restricted to emergencies or cancelled activities. Forgotten lunches or assignments are not considered emergencies. Parents are asked not to

call the school for the delivery of messages to students except in case of emergencies. Students and parents are asked to make afterschool plans before leaving home in the morning. Students should follow these plans even if changes occur. Parents will know where to find children based on the plans made in the morning. If a parent sees that a phone message is from the school, PLEASE listen to the message before calling the school. Many times, the student will call and leave a message of which the front desk is unaware.

### **Electronic Items**

Students may not bring electronic devices to school. Lost or “misplaced” electronic items are the TOTAL responsibility of the student/family.

St. Francis de Sales Catholic School recognizes that cell phones can assist in the communication between students and parents, however, cell phones can also have a negative impact on the educational environment of a school. Cell phones in schools are associated with the following problems: an interference with the learning environment, cheating on exams, a noise nuisance, a dangerous communication tool for inaccurate information in the case of an emergency, and an inappropriate status symbol among students.

Student cell phones will be confiscated if being used on school property without permission. A \$25 fine for release of confiscated cell phones will be imposed after the first offense. Phones will only be released to that student’s parent.

### **Emergency Procedures**

In the event of an emergency dismissal or school closure, directions will be given via television or radio broadcasts, FACTS callouts and text messages. Typically, St. Francis de Sales Catholic School follows the HISD announcement of closure. When there have been heavy rains, be advised that neighborhood streets around the school often flood. Do not endanger your vehicles or yourselves trying to get to school. The school sits on higher ground, and the children will be supervised until the water recedes and streets are safely passable. Strake Jesuit College Preparatory, 8900 Bellaire Blvd., has agreed to serve as our emergency evacuation site. When, and if, such an emergency arises and the decision is made to vacate our campus, St. Francis de Sales students will walk to Strake Jesuit. Parents will be notified to meet their children at the Strake gymnasium.

**The school utilizes the FACTS Alert to deliver important messages by text, phone, and email (simultaneously). Please make sure that all contact information is up to date in the front office. Please contact Stephen Klein with any changes to your contact information.**

### **Lunch**

- Microwaves are not available for student use during the pandemic.
- Students may not bring carbonated drinks to school.

- Knives should NOT be included in a lunch box.
- If a child arrives at school without a lunch from home, a lunch will be provided and payment must be made to the lunch provider.
- Lunches may be ordered through The Simply Fresh Kitchen <https://new.thesimplyfreshkitchen.com/> until 6:00 AM the day of the order. Accounts must be created in advance in order to use the service.

**Field Trips (if allowable)**

Field trips are privileges afforded to students; no student has an absolute right to a field trip. Field trips serve the instructional program by taking advantage of the educational resources of the surrounding environment that supplement classroom work.

Dress uniforms will be worn unless otherwise indicated on the permission slip.

Parents will be required to sign a permission slip to indicate their willingness for the child to participate in class trips. According to state law, children are not allowed to attend a field trip without written permission or fax from the parents or guardian. NO EXCEPTION WILL BE MADE.

**Chaperones**

Parents or guardians are often asked to chaperone school events and trips. We expect that they will abide by school rules as to conduct, attire, and supervisory function. We ask that they not smoke or drink alcohol in the presence of our students. Parent drivers must be pre-approved through [www.dps.texas.gov](http://www.dps.texas.gov) (chose 3 Year History Record). Parents must provide the school with the certificate from this website. All parent chaperones and drivers MUST be Safe Haven trained.

**HEALTH POLICY**

At St. Francis de Sales Catholic School, we strive to maintain a high level of wellness in our student body through education and prevention. Please do not send unwell children to school just to take a major test. A child who experiences vomiting or diarrhea during the school day will be sent home for observation and comfort and must be free of symptoms for 24 hours prior to returning to school.

If called to pick up a sick child from school, please come within one hour.

### **Medication in the School**

Goal: To assure the school attendance for children who must use medication in the treatment of chronic disabilities or illness.

The daily routine of the Clinic includes the management of medications.

1. Parents are encouraged to schedule the administration of student medicine in such a manner that medication brought to school will be kept to a minimum. (For example, the physician may be able to prescribe the medication before/after school and at bedtime.)
2. Medications (prescription or over-the-counter) may be administered to students only upon written request by the physician. The form, "Medication Permission Form," must be completed and signed by the physician and also signed by the parent. The form is available from the school clinic and online. It is a required information sheet, kept on file, which details the following information: student's name, name of medication, prescribed dosage of medication, time(s) of administration of medication, EXACT dates medication is to be given, liability release, signature of the parent/guardian and physician. Parents, guardians or designated adults must deliver and pick up all medications to be administered.
3. All medication, prescription or non-prescription, including aspirin and cough drops, must be in the original container and be properly labeled in English. A properly labeled prescription medication is one with a pharmacy label stating the student's name, the name of the medication, and date the prescription was filled. Non-prescription medication must be in the original container indicating directions for use and labeled with the student's name. All medications must be kept in and distributed through the clinic.
4. If there is a medication discrepancy that might be injurious to the student, the health coordinator representative/Principal designee has the responsibility to question the discrepancy or refuse to give the medication. The school health coordinator/Principal designee must document a consultation by the nurse consultant, student's physician or parent.
5. All medication will be locked in a drawer/cabinet in the clinic unless refrigeration is required.
6. It is the responsibility of the student to report to the designated area to take his/her medication.
7. At the end of the school year, all medication will be returned to the parent or destroyed.
8. In the absence of the health coordinator, the Principal designee must administer medication.
9. A Daily Log for Medication will be maintained on each student taking medication at school.
10. Children with diagnosed asthma should have an inhaler or nebulizer medication at school for treatment during emergencies or for prescribed management. An asthma action plan completed by the physician should be on file for each student with asthma.
11. Children with diagnosed life-threatening allergies (such as food or insect bites) should have an epi-pen and/or prescribed antihistamine at school for treatment

during life-threatening episodes. An allergy action plan completed by the physician should be on file for each student with a life-threatening allergy.

### **School Report of Suspected Abuse or Neglect**

Under Texas law, any person who has cause to believe that a child's physical or mental health or welfare has been adversely affected by abuse or neglect by anyone (including other children or adults) must promptly report the possible abuse or neglect to Child Protective Services (CPS). Additionally, all school employees and childcare personnel (including but not limited to teachers, aides, and before and aftercare workers) must make the required report as soon as possible, but within 48 hours of suspecting the abuse or neglect. In addition to notifying Child Protective Services (CPS), a report will be made to the local law enforcement agency and the Catholic Schools Office. Suspected abuse or neglect may include but is not limited to:

- physical injury
- sexual molestation,
- neglect occurring from deprivation of necessary food, care, clothing, shelter, or medical attention,
- infliction of physical or mental suffering, and/or
- threat or attempt to harm self.

Mandatory reporters are immune from civil or criminal liability for reporting in good faith known or suspected child abuse. Failure to report suspected abuse or neglect in accordance with this section is a Class A misdemeanor.

### **Investigation Concerning Abuse or Neglect**

Texas Family Code Section 261.302 authorizes the (CPS) officer who is investigating suspected child abuse or neglect to, among other things, interview and examine the alleged victim at school during the school day. The child may request that a school representative be present during the interview, but the investigator has final say as to who is present during the interview. In the event a (CPS) officer requests an on-campus interview with a student related to suspected abuse or neglect, the Principal should be notified as soon as possible. Neither parents nor school personnel may interfere with such an interview.

When a representative of a Child Protective Services (CPS) agency deems it necessary, a suspected victim of child abuse may be interviewed during school hours on school premises, concerning any report of suspected child abuse involving that child.

### **Government Programs**

Schools may choose, in consultation with the Catholic Schools Office, to participate in programs which are funded by local, state, or federal governments.

### **Chronic Illness**

Parents will inform the Principal and nurse if their child has a serious and possible life threatening chronic illness or condition before entry into school. Parents will meet with the Principal or school health coordinator to develop an "Individualized Health Care Plan" that will include instructions for observation of the illness, care and treatment, medication orders and special instructions such as EMS or parent notification.

If medications or treatments are involved, the "Request for In-School Administration of Medication Form" must be filled out and signed by the physician or medical provider and

returned to the school. A statement signed by the physician or health care provider with the same information may be provided instead. Any medication or equipment must be provided to the school by the parents.

### **Smoking**

Smoking is prohibited in all parish facilities including the school, building and grounds.

### **Immunizations**

Students in the Archdiocese of Galveston-Houston Catholic Schools must be in compliance with the immunization requirements of the Texas Department of Health, Immunization Division in order to enter and remain in school. This requirement fulfills state laws, archdiocesan policies and ethical standards of practice.

Registration requirements for first time students include a current immunization record on all required immunizations by the first day of school. Failure to comply may result in the student(s) being sent home.

Parents/Guardians will be informed of needed immunization(s) for students already enrolled in school. Parents/Guardians have 30 days to obtain the required immunization(s) and present documentation if the family is from out of town. After 30 days if the student has not received the required immunization(s), the student will not be allowed to return to school until the school receives proof of immunization(s).

### **Child Release to an Impaired Parent/Guardian**

No child will be released to a parent, guardian, or parent designee if the school personnel believes the person to be impaired (such as inebriated) and, therefore, unable to care for the child. Another person from the student's emergency contact list will be called.

### **Asbestos**

The school has an asbestos plan, and all asbestos has been removed, abated or contained.

### **Before and After School Program**

St. Francis de Sales School offers a Before and After School Program to help families who need an early drop off or late pick up.

Drop-in daily rate	\$15.00
1 child per month	\$225.00
2 children per month	\$325.00
3 children per month	\$395.00

### **Common Development and Fundraising Activities**

#### **1. Annual Appeal**

All schools are highly encouraged to have an Annual Appeal Fund which should be at the cornerstone of the Development program. Events can be cancelled at a moment's notice and an Annual Appeal is a sustainable giving effort. An Annual Appeal campaign secures gifts on an annual basis, either by mail, phone, or through personal solicitation from all of its school constituents. This effort typically raises funds for the school's operational budget, or a special program as described to the community. The appeal should begin at the beginning

of the school year and end on June 30 of the current fiscal year. All contributions must be received by this date to be a part of this fundraising effort.

## 2. Steps for Students

Steps for Students 5K Run/Walk is an annual Archdiocesan-wide event that supports Catholic education. The purpose of the race is to raise awareness and support of Catholic schools in the Archdiocese of Galveston-Houston and to provide a platform to allow schools to raise funds for their own needs. The funds each school raises may be designated to address the priorities of the school as determined by the Principal. Each year, the goal is to have 100% participation from all Catholic schools in the Archdiocese.

## 3. Events, Festivals and Auctions

Vehicles such as golf tournaments, galas, auctions, festivals, receptions, dances, and dinners foster greater constituent involvement in terms of time, talent, and financial resources. These events are designed specifically to build community, raise significant money, celebrate the school's mission and vision, and strategically cultivate the major gift prospects. Events are typically second to the Annual Appeal efforts and are outlined on the school's Development Calendar with detailed goals listed in the school's annual Development Plan.

## 4. One-Day Giving

One-day giving is a single day fundraising campaign to increase awareness, find new donors, and raise money to support the school mission and goals. This day is dedicated to fundraising utilizing online giving and social media to engage the entire community in a focused effort. An online giving platform may be utilized to accept various forms of electronic payments to process the gifts.

## Fire Department

Fire drills are conducted to train students to evacuate the building in a quick and orderly manner and to teach students self-control in times of emergencies

## Natural Disaster and Emergency Preparedness

St. Francis de Sales School has a crisis manual which is reviewed and updated annually. The plan includes the following:

- a) Procedures for handling students and staff during a natural disaster, active shooter/lock down, blocked exit, and shelter in place
- b) Procedures for informing parents of the plan,
- c) Preparations of site facilities for safety including:
  - handling of emergency supplies of food, water, and medical supplies,
  - communication practices,
  - drill and practice procedures,
  - shutting off utilities.

All actions taken shall bear in mind the safety and well-being of both students and staff members. Students shall be released only according to a predetermined plan and only to persons authorized by parents.

## Use of School Facilities

### General Regulations

Any use of parish grounds by outside organizations including non-parish-based organizations, non-profit community organizations, and any other organization or individual must be conditioned on review of contract agreements through the Legal Counsel for the Catholic Schools Office.

The legal review of contracts will allow appropriate intervention in the event that any activity is proposed, or in fact occurs, which is in conflict with the safety of the school community, orderly school administration, or teachings of the Roman Catholic Church as determined by the Archbishop of Galveston-Houston, school, or Archdiocesan policies. Ordinarily, a school should not enter into a contract for its use with a current school employee. Requests for use of school facilities by parish and other groups or individuals are subject to the approval and permission of the Pastor.

## SECTION III TECHNOLOGY

At our school, technology is widely used for and by all students. We view technology as an excellent tool to help students reach their academic goals. Technology also gives an opportunity to students to explore their creativity and express and share their creations with others as well as develop critical thinking skills. We use the power of technology to help shape the next generation of informed, engaged and caring citizens.

### Digital Citizenship

We embrace the concept of digital citizenship as explained by the International Society for Technology in Education (ISTE): **Digital citizens are learners who use their technology-driven powers conscientiously — and with empathy — to help make the world a better place.**

Every digital learner is also:

#### **Digital Self:**

- Proactively manages their digital identity and property
- Respects the digital rights and privacy of others
- Understands the permanence of the digital world

#### **Digital Interactor:**

- Communicates with empathy via digital channels
- Collaborates with others to accomplish goals
- Applies critical thinking to all online sources

#### **Digital agent:**

- Leverages technology to solve social problems
- Advocates for digital rights of others and access for all
- Actively influences societal norms

### School Safety

Our school complies with federal laws and regulations concerning student safety and student privacy: Family Educational Rights and Privacy Act (FERPA) and Children's Online Privacy Protection Act (COPPA).

Our school provides several layers of protection to assure safety of our students. We also monitor students' online activities (when they are using their school accounts) to make sure students follow the Acceptable Use Policy (AUP) . We communicate with parents whenever there is a safety concern because of the student's online activity.

At St. Francis de Sales School we use G Suite in Education - Google's set of productivity applications formatted specifically for student use. Access to the G Suite for Education enables students to explore the world, learn new skills, and collaborate with others while becoming creators of unique digital content.

[G Suite for Education Privacy Notice](#) gives parents detailed information concerning student privacy and G Suite use. It is important to note that in the educational version of G Suite there are no ads in Core Services (which we mostly use), and no customer data from core services is used for advertising purposes (in either core or additional services).

The applications available to students depend on the grade level of students, but SFDS School uses the concept of "The Walled Garden" for all students; students can share documents, files, or send emails (for those grades who have that option) only within our St. Francis domain. The same way, only teachers and other students of St. Francis De Sales School can send files or emails to our students.

## How Our Students Use Technology and What They are Learning

With growing concerns about students' excessive screen time, we are very careful in how we choose to use technology with our students. **We believe that our students should mostly use technology to create, rather than to consume digital content.**

Every classroom from PreK-3 through third grade has several devices - iPads or Chromebooks for student use. Teachers use those devices to enhance their instruction and give student opportunities to express themselves. In fourth and fifth grades student have several Chromebooks in each classroom; in addition, there is a cart with a class set of Chromebooks.

In middle school, each student is issued a Chromebook for use throughout the school year. Students use them to complete and turn in assignment, do research, communicate, keep track of their grades and create unique digital content.

All Chromebooks are managed by the school Google Administrator. Google admin sets up safety parameters and blocks and allows certain services and sites. Whether on Chromebooks or not, any time a student logs in into his or her Google account, the online activity is monitored by GoGuardian, an online student safety service (which is also in compliance with all federal laws and regulation concerning student privacy and safety). Alerts are issued if a student accesses unsafe or inappropriate information.

In addition to classroom technology use, all students attend a technology class, where they learn various digital skills including keyboarding, how to use productivity tools, and create unique digital products (music, art, digital storytelling, photo and video production). From the youngest age, students are introduced to computer science principles and to developing computational thinking. 1<sup>st</sup> through 8<sup>th</sup> Grades are involved in coding and using and programming robots.

We follow the [TEKS \(Texas Essential Knowledge and Skills\) standards](#) and well as [ISTE \(International Society for Technology in Education\) Student Standards](#) .

## Internet and E-mail

Access to Internet and e-mail will enable students to explore thousands of libraries, databases, museums, and other repositories of information and to exchange personal communication with other Internet users around the world. **FAMILIES SHOULD BE AWARE THAT SOME MATERIAL ACCESSIBLE VIA THE INTERNET MAY CONTAIN ITEMS THAT ARE ILLEGAL, DEFAMATORY, INACCURATE, OR POTENTIALLY OFFENSIVE.** While the purpose of the school is to use Internet resources for constructive educational goals, students may find ways to

access other materials. We believe that the benefits to students from access to the Internet outweigh the disadvantages. Ultimately, however, parents and guardians of minors are responsible for setting and conveying the standards that their children should follow when using media and information sources. Therefore, we support and respect each family's right to decide whether or not to allow access to the Internet.

### **What is expected?**

Students are responsible for appropriate behavior on the school's computer network just as they are in a classroom or on a school playground. Communications on the network are often public in nature. General school rules for behavior and communications apply. It is expected that users will comply with Archdiocesan standards and the specific rules set forth below. The use of technology resources is a privilege, not a right, and may be revoked if abused. The user is personally responsible for his/her actions in accessing and utilizing the school's technology resources. The students are expected never to access, keep, or send anything that they would not want their parents or teachers to see. Under no circumstances are students to access any sites that are sites that are sexual in nature.

### **What are the Rules of Appropriate Use?**

Electronic Communication – Whether occurring within or outside of school, when a student's use of electronic communication jeopardizes the safe environment of the school or is contrary to Gospel values the student can be subject to the full range of disciplinary consequences including expulsion. This policy applies to communications or depictions through e-mail, text messages, blogs, twitters, or web site postings, whether they occur through the school's equipment or connectivity resources or through private communication. Electronic communication is considered unacceptable if it contains one or more of these characteristics:

- Being of a sexual and/or violent nature;
- Threatens, libels, slanders, maligns, disparages, bullies, harasses, or embarrasses members of the school community;
- Causes harm to others and/or to the school community.

### **Personal Safety and Personal Privacy**

Students will not post personal contact information about themselves on the internet. Personal contact information includes their address, telephone, school address, etc. This information may not be provided to an individual, organization, or company, including websites that solicit personal information.

### **Social Networking**

Accessing social networking websites, blogs, video sites (e.g., MySpace, Facebook, YouTube, TikTok, Instagram, etc., except those used for educational purposes) are off-limits on school property. The use of circumventors to get around school network security is prohibited.

### **Illegal Copying**

Students should never download or install any commercial software, shareware, or freeware onto network drives or disks, nor should students copy other people's work or intrude into other people's files. The download/upload of any material in violation of any U.S., State, Board,

Archdiocesan, or school policy is prohibited. This includes, but is not limited to, copyrighted materials, threatening, violent, or obscene material, or material protected by trade secrets.

### **Inappropriate Materials or Language**

No profane, abusive or impolite language should be used to communicate nor should materials be accessed which are not in line with the rules of school behavior. Use of technology resources for gambling, chain letter communication, unauthorized email, chat or instant message, blogs, and discussion forums, is also prohibited. Should students encounter such material by accident, they should report it to their teacher immediately. A good rule to follow is never view, send, or access materials, which you would not want your teachers and parents to see. Uses of cell phones to transmit unacceptable language and/or photos that are harmful to self, other students, and/or to other people is prohibited.

### **Succinct Advice**

These are guidelines to follow to prevent the loss of technology privileges at school.

1. Do not use technology to harm self, other people or their work.
2. Do not damage the network or any technology resource in any way.
3. Do not interfere with the network or computer operation by installing any form of software or permitting the spread of computer viruses.
4. Do not violate copyright laws.
5. Do not view, send or display offensive messages or images.
6. Do not share your password or in any way obtain another person's password.
7. Do not waste technology resources such as disk space or printing supplies.
8. Do not trespass in another's folders, work or files.
9. Do notify an adult immediately, if by accident, you encounter materials, which violate the Rules of Appropriate Use.
10. BE PREPARED to be held accountable for your actions and for the loss of privileges if the Rules of Appropriate Use are violated.

### **Social Media**

Social Media refers to the means of interactions among people in which they create, share and exchange information and ideas in virtual communities and networks.

The school or parish owns the school or school's name and administrators have the right to restrict its use. Student/parent handbook rules and faculty/staff handbook rules prohibit unauthorized use of images, names and logos.

A Catholic school administrator can impose consequences for conduct occurring outside school. What students/ faculty/ staff do off-campus can detrimentally affect a school's reputation. The parent/student handbook and faculty / staff handbook, which is a legal contract, states that the administration reserves the right to discipline students/faculty/staff for off-campus conduct.

Consequences for violating acceptable use of technology including social media include termination of employees and suspension and expulsion of students.

Social media provides another venue for students/faculty/staff/parents to make threats, bully others, and offers opportunities to post potentially defamatory statements about the school, school personnel and students. Deliberate defamation of others is not consistent with Christian values and all should be held accountable for intentional harm they cause others.

### Bring Your Own Device

BYOD stands for "Bring Your Own Device". The school administration may allow students to BYOD to school to carry out the academic mission under the direction of a teacher or administrator. BYOD devices will supplement (not replace) school devices.

#### Guidelines

- The school governs which devices are allowed and how and which students are allowed to use them.
- BYOD follows the TAUP (Technology Acceptable Use Policies) of the school.
- The teacher is the instructional leader and determines when and how personal devices are to be used.
- Personal devices should arrive at school functional and fully charged.
- Students bring personal devices to school at their own risk, just like any other personal items.
- Personal devices should never be used in locker rooms, restrooms, or nurses' offices.
- Students are not permitted to use any electronic device to record audio or video media or take pictures of any student or staff member without permission. Distribution of unauthorized media may result in disciplinary action.
- Students are not permitted to connect to the Internet using other content service providers. Personal devices must access the Internet through the school content filtered wireless network to meet CIPA (Children's Internet Protection Act) requirements.

### One-to-One Laptop Program

St. Francis de Sales Catholic School is proud to have a one-to-one laptop program which provides each 6th, 7th, and 8th grader with a school-managed Chromebook. A usage and management fee is assessed for each student. Each student must sign for and care for the assigned laptop. The laptop must always be carried in an approved carrier. Cost for all repairs to the laptop will be the responsibility of the student.

It is the student's responsibility to bring the laptop to school fully charged.

Following instructions from the Technology Department and classroom teachers is the responsibility of the student.

The laptop must be returned at the end of the year in good condition and in the original box with charger and all other school accessories.

## **SECTION V STUDENT CODE**

### Assessment and Grading

We believe that all students can learn and can demonstrate mastery through use of their God-given gifts. The Archdiocese of Galveston-Houston has identified the Texas Essential Knowledge and Skills (TEKS) as the academic standards that serve as the foundation for our curriculum. We are committed to providing curriculum that is coherent, guaranteed, and viable so that our students are prepared for heaven, college, and career. Archdiocesan Guidebooks specific to content areas and grounded on the premise of research-based best practices serve as a primary resource for schools in planning curriculum, instruction, and assessment that meet the needs and expectations of their unique school communities. Each teacher is responsible for understanding and implementing the TEKS and Curriculum Guidebooks in their daily instruction.

It is important to assess students based on the expectations of the curriculum and clearly defined learning criteria. Research shows that traditional methods of grading tend to measure students' short-term recall of information, rather than long-term understanding. As we shift our focus towards raising academic rigor, it is logical that we shift assessment and grading practices to support the development of long-term understanding and 21st Century skill acquisition. Teachers will collect authentic evidence of student achievement, not just what is easiest to measure. For this reason, a balanced process including assessment for learning (formative), as well as assessment of learning (summative) is utilized.

Formative assessments are designed to gauge student learning and understanding prior to and during the teaching of the content and to inform instructional decisions such as the need for re-teaching. They are used to identify needs, plan next steps, and provide students with feedback.

The purpose of formative assessment is to monitor student learning to provide ongoing feedback that can be used by instructors to improve their teaching and by students to improve their learning. More specifically, formative assessments:

- a) help students identify their strengths and weaknesses,
- b) target areas that need work,
- c) help teachers recognize where students are struggling, and
- d) address problems immediately.

Summative assessments are designed to measure student learning and understanding at the conclusion of teaching the content. The purpose of summative assessment is to evaluate student learning at the end of an instructional unit (by comparing it against some standard or benchmark). Summative assignments are conducted after sufficient instruction, practice, and feedback are delivered, usually requiring students to demonstrate mastery of grade level content standards.

### Student Evaluations

Student progress is communicated to parents through scheduled parent conferences, telephone calls, emails, signed tests, graded papers, progress reports, and the report card. Parents will be able to view their own children's grades on-line. Parents are encouraged to confer with teachers regularly regarding the growth and development of their children. Appointments for conferences

are necessary and should be made directly with the teacher. This can be done by exchanging notes, emails, or by calling the school office and requesting a return call from the teacher.

Report cards are issued every nine weeks. Scheduled Parent/Teacher conferences are available twice a year, once each semester. (Refer to the school calendar for the exact dates.) Parents/guardians are encouraged to schedule additional meetings with teachers if needed.

Grades are given to students for every subject in their daily schedule. Grades are averaged every nine weeks. A student whose grades average below 70 is given an F. Grades 70 or above are passing grades.

Student achievement is determined by the quality of class work, class participation, homework, and assessments. Homework, in order to be given full credit, must be complete and submitted on its due date.

In order to keep parents fully informed regarding student progress, progress reports are issued between grading periods (at four and one-half weeks) to all students.

Parents should view their children's grades at least weekly on-line. Parents should also monitor student progress between the formal evaluations of Progress Reports or Report Cards. Parents/guardians of a student dropping more than one letter grade are to be informed by means of a progress report, email, or a parent conference. If a student's progress becomes unsatisfactory after progress reports are issued, the parent will be informed.

### Testing

The St. Francis de Sales Catholic School testing program includes both diagnostic and achievement tests. Archdiocesan standardized tests are administered three times per year to determine student growth. Please encourage your student to perform to the best of his/her ability on these tests. Archdiocesan schools do not administer the STAAR test.

Middle School students (sixth and seventh grades) take major tests every nine weeks at the close of the quarter. Eighth graders take mid-semester examinations. Seventh and eighth graders take final exams in May.

## **SPECIAL NEEDS LEARNERS AND REFERRALS**

### Introductory Statement

Consistent with the contents of the Church document, *To Teach as Jesus Did*, and the Pastoral Statement of the U.S. Bishops, *Persons with Disabilities*, the Archdiocese seeks to include students with special needs in our schools to the extent that the needs of such students can be met within the scope of the programs and resources offered. The Catholic Schools Office is aware that it is unrealistic to serve all categories of special need students. However, St. Francis de Sales Catholic School and the other Catholic Schools are cognizant of the fact that admission of special needs students must be considered and reviewed on an individual basis.

### Legal References to Special Services

The Individuals with Disabilities Education Act (IDEA) requires that local school districts locate, identify, and evaluate all private school students suspected of having a disability (for St. Francis de Sales Catholic Schools, the local district is Houston ISD). This "Child Find" process must be conducted in consultation with private school representatives to ensure equitable access for private school students. In IDEA, these children are often referred to as "parentally placed private school children with disabilities," and the benefits available to them differ from the benefits for children with disabilities enrolled in public schools.

The Rehabilitation Act of 1973, Section 504 educational section (frequently called "Section 504), provides that no otherwise qualified individual with a disability shall, solely by reason of his/her disability, be excluded from participation in any program receiving federal assistance. Catholic educators strive to recognize and address the needs of all those who seek a Catholic education. Within our resources, St. Francis de Sales and other Catholic schools will offer services to eligible students with special needs, when possible. However, private schools are not required to significantly alter their programs, lower or substantially modify their standards to accommodate a child with special needs. Private educational institutions are only required to make minor adjustments to accommodate eligible students.

#### Records for Special Needs Learners

All psychological and educational evaluations/reports regarding special needs testing of students received from local public schools, persons, or agencies are forwarded to St. Francis de Sales Catholic School, upon request. These records are kept on file at the school for a period of seven (7) years after the exit of the student. These records are kept in a secure file and area accessible only to the principal, the Intervention Specialist, the Counselor, and any other appropriate staff member working with the student. Parents may view their child's record at any time. These records may not be forwarded to any other individual or agency.

#### Criteria for Acceptance of Students with Special Needs

In determining the admittance of a particular student, the school will review the child's ability to meet the school's academic, behavioral, and physical qualifications. Each Catholic school determines its ability to meet the needs of the student applicant. Consideration will be given to the following:

- Student's demonstrated ability to meet grade level requirements;
- Record of student's ability to follow school rules and regulations; and
- Students' ability to meet the physical requirements of attendance.

#### St. Francis de Sales' Services for Special Needs Learners

**New Students** - When the Admissions Office or the principal is notified that an incoming student may have special learning needs, the principals and other appropriate school staff review current academic, social, medical, and psychological evaluations to determine if the applicant is qualified to enroll, with or without his/her disability. If the applicant is qualified for enrollment, the principal and counselor will then determine if reasonable adjustments can be made to the educational program which will accommodate the student's needs. If an admission is determined the school will begin the procedures with parents to discuss a Catholic Accommodation Plan.

**Currently Enrolled Students** - If a teacher (or parent) is concerned about a child's academic, behavioral, or emotional progress and feels that testing may be needed, he/she will discuss concerns with the parent/family and the Principal, and then meet the counselor as soon as possible. We work as a team to do what is best for the child and will discuss:

- The student's current educational status, including attendance records, grades, assessment data, and classroom observations;
- Previous educational efforts and strategies provided for the students and the results;
- Documentation of recent vision and hearing screenings;
- Updated general health history inventory; and
- Other information provided by the parents or teachers.

Parents will be expected to disclose any pertinent information that may assist us in educating the student. The principal and staff are responsible for recommending educational alternatives and/or referral to the local school district and/or private agency of the parent's choice for further evaluation. In some cases, the campus may not have the resources necessary to help the child be successful. The principal or counselor will then assist the family to locate an appropriate educational program for the child.

Documentation for all referrals must be kept on file. This documentation will be included in the student's records. If an evaluation determines the student requires minor accommodations the school will begin the procedures with parents to discuss a Catholic Accommodation Plan. Accommodations for a child will be noted on the report card and in the child's permanent folder.

#### Student Success Expectations for Special Needs Learners

All available school resources shall be utilized to promote student success. Lines of communication will be kept open to inform parents of student progress in all areas. Concerns about a student will be addressed initially by the classroom teacher and parent. School success can only be attained through cooperation between parents and educators. Parents are expected to disclose any pertinent information from private resources (diagnoses and recommendations) that would be of specific educational value in programming adequately for their children. If it is determined that the school's resources cannot meet the needs of a student, or if parent(s)/guardian(s) fail to act on the school's recommendations for remediation or diagnostic evaluation, the principal may request withdrawal of the student or deny admission for the following year.

#### Accommodations for Special Needs Learners

The purpose of an accommodation of any type is to provide the appropriate instruction according to the individual student's special needs. As a result of a diagnostic evaluation, a student meets certain criteria to qualify for accommodations to his/her schoolwork. In many instances, accommodations (changed in methods of instruction) can be made in the classroom for students with special needs or for struggling students. Students who are diagnosed with a learning difference or who are diagnosed with a special need through the public school system, private doctors, or through special agencies may be referred for special assistance with the counselor after the administration has verification of the student's recommended accommodations. (Curricular modifications are not provided because modifications require alterations of curricular objectives.) The number of intervention sessions per week, length of sessions, and goals will be determined by the counselor, tutor, principal, and classroom teacher after all available information has been reviewed.

#### Standardized Assessment for Students with Special Needs

Standardized assessments are one of several means of evaluating student performance. All students participate in the Archdiocese standardized assessment program. Students with disabilities identified through IDEA may require assessment accommodations. These accommodations should be provided on a weekly basis through the classroom teacher. These testing arrangements must be planned for in advance through a meeting with the counselor. Any adjustment made on the standardized assessment must be requested from the Catholic Schools Office via special request on the appropriate form.

### **Honor Roll**

#### Middle School Students (Grades 6-8)

Honor Roll for Middle School Students is determined each nine weeks.

The Principal's Honor Roll - Students must have all A's and no less than an S conduct grade in each subject including homeroom.

The De Sales Honor Roll - Students must have all A's and B's and no less than an S conduct grade in each subject including homeroom.

#### Intermediate Students (Grades 4-5)

The De Sales Honor Roll for Intermediate Students is determined at the end of each quarter. Students must have A's and B's, and no less than an S in all subjects and no less than an S conduct grade in each subject for the final yearly average.

#### Primary Students (Grades 1-3)

There is no Honor Roll at this level.

#### Report Card Marking

Grading Scale	A+ 99-100 Outstanding	D+ 76-77 Below Average
	A 95-98	D 72-75
	A- 93-94	D- 70-71
	B+ 91-92 Above Average	F 69 or Below Failure
	B 88-90	
	B- 86-87	E Excellent
	C+ 84-85 Average	S Satisfactory
	C 80-83	N Needs Improvement
	C- 78-79	U Unsatisfactory

#### Homework

Often work that has been explained may need skill refinement. Similar work to that taken in class may be assigned for completion outside of the school day. Intermediate and Middle School students may be assigned research and project work. Studying for tests or exams is additional to regular homework. The following timetable is a general rule for homework assignments:

Grades 1-2:	10-20 minutes
Grades 3-4:	30-40 minutes
Grades 5-6:	50-60 minutes
Grades 7-8:	60-90 minutes

The Before and After School Program (BASP) program will have a set study time after school Monday-Thursday.

#### Make-Up Work

If a student is absent, he/she must make up the missed work and tests. Students have one day to complete make-up work/tests after their return to school for each day they were absent. For example, if a student is absent three days, he/she has three days after his/her return to complete all make-up work/tests.

Students who are consistently absent on major test dates may be required to have a signed doctor's excuse before they may take a make-up test. Please refer to Google Classroom for

assignments.

Ordinarily, a student may not receive credit for a class unless the student is in attendance for at least ninety per (90%) of the days the class is offered. Promotion or credit may be jeopardized if a student misses more than eighteen (18) days, excused or unexcused (10% of the school year).

#### Regulations for Grading, Promotion and Retention

Grades are given to each student for every subject area in their daily schedule. Grades are averaged every nine weeks. A student whose grades average below 70 is given an F. Grades 70 or above are passing grades. The letter grade on the Archdiocesan report card is the grading system used. If a student receives a final grade below 70, the student fails the subject. If two major subjects are failed, the student is recommended for retention. A student may be retained no more than twice from grades 1 - 8. A student may not be retained more than once in the same grade. Credit recovery for middle school students is available through Catholic Virtual.

Report cards may be withheld for the following reasons: delinquent fees, unreturned library books, unreturned technology (Chromebooks, chargers, cases).

#### Textbooks/Supplies

Textbooks are provided on a rental basis and distributed to students at the beginning of the school year. Students are required to keep all textbooks covered. The condition of the book is noted when it is assigned to a student. Students will be fined for damages beyond the normal wear. Lost books must be replaced, and therefore the full replacement cost will be charged. Students may not bring permanent markers (other than a Sharpie) or liquid whiteout to school. Luggage may not be used in place of backpacks. 7th and 8th grade students are asked to use regular backpacks to carry their books from the carline to homeroom and back. For safety reasons these older students should not bring rolling backpacks or luggage to use at school.

#### Records

Parents wishing to view student records must make the request in writing twenty-four hours in advance.

This school abides by the provisions of The Family Educational Rights and Privacy Act of 1974, also known as the Buckley Amendment, with respect to the rights of non-custodial parents. The Act provides for the right to inspect and review educational records, the right to seek to amend those records and to limit disclosure of information from the records. In the absence of a court order to the contrary, the school will provide the non-custodial parent with access to the academic records and to other school-related information regarding the child. If there is a court order specifying that there is to be no information given, it is the responsibility of the custodial parent to provide the school with an official copy of the court order and/or a copy of the custody section of the divorce decree.

#### Visitation

If parents/guardians would like to visit a particular classroom, please call the school office prior to your visit to arrange a mutually convenient time. Visits should not exceed 30 minutes in any classroom. Siblings and younger children are not permitted in the classrooms during visits. Visitors should refrain from conversation with the teacher or students. Visitors must return to the office to sign out.

Parents/guardians may have lunch with students once per week as space is limited and to give

students the opportunity to socialize with their classmates.

Volunteers must register in the office and pick up a visitor's badge. Volunteer committees are welcome to meet on campus during school hours or in the evenings by contacting the office for reserved meeting space but must have an appointment and may not walk throughout the school.

Former students must check into the office and remain in the courtyard or office area.

### Student Insurance

1. Student Accident Insurance

All students are enrolled in the student accident insurance program with the insurance carrier chosen by The Archdiocese of Galveston-Houston. This program reimburses limited medical costs due to accidental bodily injury to a student while engaging in the activities outlined in the policy. Information concerning claims, premiums, and supplementary coverage can be obtained from the Office of Risk Management or the Catholic Schools Office.

2. Insurance Premiums

The premiums for this policy are paid by the Archdiocese of Galveston-Houston. Supplemental coverage, if obtained by the parents, is paid by the parents.

### Library

Students will have access to the school library and the library manager will teach lessons in the library on a weekly basis. No more than two books may be checked out at one time and must be returned. Unreturned library books will result in a replacement cost added to the fees section of FACTS.

## SECTION VI Standard of Conduct

At St. Francis de Sales School, the expectation is to treat each other with respect and dignity as is befitting of Christian behavior. The ideal of discipline is to enable students to move from externally imposed discipline to self-discipline. While recognizing that students first learn appropriate behavior at home, nevertheless, it is the belief at St. Francis de Sales School that parents, teachers, and students are all responsible for creating and maintaining an environment that encourages growth and learning.

St. Francis de Sales School has high expectations of students. Students are expected to serve others by being:

1. Friendly
2. Helpful
3. Considerate
4. Respectful and Courteous
5. Responsible
6. Honest and Trustworthy

Each St. Francis de Sales student will:

- a) Be on time and prepared for class with books, pens, pencils, and completed assignments.
- b) Be quiet in the halls.
- c) Use inside voices in the cafeteria and Beck Athletic Center
- d) Be reverent in church.
- e) Be in uniform.
- f) Observe all safety rules.
- g) Observe the no gum policy.
- h) Use proper manners in the cafeteria.
- i) Be respectful in words and actions.
- j) Do his/her own work.
- k) Obey authority.

Should a student fail to maintain the expected “standard of conduct”, the school will make every attempt to ensure that the break from the standard is temporary. Should a student require disciplinary action, this action will be administered in a positive manner with the consequences following the defined Discipline Code of St. Francis de Sales School. Conduct referrals/demerits and disciplinary notices are given in the Middle School and in the second semester to 5th grade.

Behavior Management Systems/Chart

- PreK3 and PreK4: Frog Street System
- Kinder 3, 4& 5th Grade: 5 Color/Emoticon System
- 6th8th Grade: Demerit System - Teachers will electronically submit demerits through FACTS at the end of each day. Parents will receive email notification that the student has accumulated five demerits and will have a detention scheduled. Parents and students can monitor demerits under “Behavior” in their FACTS accounts.

Uniform Infractions Consequences

Students are expected to be in proper uniform unless otherwise stated for Spirit Days or special

occasions. Parents understand when they enroll their children in St. Francis de Sales School the expectation is their child(ren) will wear the proper uniform.

- PreK through 5th Grade: Teachers will complete a Uniform Infraction Form and send it home with student for parents to sign and return. Parents may be asked to come to school with appropriate uniform to correct the infraction.
- Middle School: Every time the student is out of uniform, the student will receive a demerit. Repeated uniform infractions may warrant a conference with the Assistant Principal. Students with three demerits will have detention on following Thursday from 3:15 PM to 4:00 PM.

### School Communication

Various school documents, including administrative letters, emails, schedules, newsletters, etc., communicate school business with families. A monthly calendar is posted on the school website, [www.sfdsschool.org](http://www.sfdsschool.org).

Newsletters are emailed to parents on Wednesdays with important school related information. Please share this information with your children. This is the primary source of school news and communication.

### Teacher/Staff Communication

Please contact the classroom teacher to arrange appointments with teachers or with the Principal. All staff are expected to return communication usually within 48 hours.

In keeping with the Church's principle of subsidiarity, problems should be solved at the lowest level whenever possible. Persons having a problem with another individual should go directly to that person before going to that person's superior. If parents have a complaint about a teacher, they must discuss the difficulty with the teacher first. Parents may request the team Leader or Assistant Principal to be present at the conference.

### Discipline Code

Our ultimate goal in discipline is to help our students become self-disciplined. Students are expected to show courtesy and respect to themselves, to each other, to adults, and to property. At no time will defiance, violence, or insubordination be tolerated.

St. Francis de Sales School shall maintain a community environment free from all forms of harassment and shall insist that all persons are treated with dignity and respect. Harassment is unacceptable conduct that is severe, perverse, and deliberate. This school will treat allegations of harassment seriously and will review and investigate such allegations in a prompt, confidential, and thorough manner.

The school also has expectations of parents. Discipline begins at home. Parents are the primary educators of their children. Both the school and the parents should reinforce and support good conduct as becoming a Christian student.

Students who misbehave and/or infringe on the academic process will be disciplined. Parents will be notified (by a Conduct Referral/demerit) whenever a child has seriously misbehaved

within the classroom or during extracurricular activities. Prior to a telephone call or email, parents can be assured that there has been a conference with the student regarding the misconduct and subsequent consequences. The phone call/email serves to inform you of the situation and requests your assistance in managing your child.

Middle School students earning five demerits will be assigned a Detention Session. Missing these sessions may result in an in-school suspension.

Students who submit blank assignments in Google Classroom will automatically be assigned a Detention Session.

Specific breaches of discipline in the classroom are under the authority of the supervising teacher. However, for safety purposes, all teachers have jurisdiction over all students regardless of age or grade.

Students in all grades should not bring toys of any kind (spinners, Pokémon Cards, etc.) unless assigned by the teacher. If these items are brought to school, they will be confiscated and stored in the teacher's desk and given to a parent.

The Principal reserves the right to put the student on probation or home study or to suspend or expel as deemed appropriate to the circumstances. The Principal is the final recourse in all disciplinary matters and can waive any disciplinary action for just cause.

#### Discipline Council

The Discipline Council consists of the Homeroom Teacher, Counselor, and a faculty representative from each level. The Council will be convened whenever a student has received excessive demerits or In-School Suspensions. The student and parent(s) will be required to attend. The Discipline Council may make recommendations and/or requirements for a student's continued attendance at St. Francis de Sales Catholic School.

#### Disciplinary Probation

A student's continuous misbehavior may result in the student being placed on disciplinary probation by the Principal. The Principal determines the length of time of the probation and will conference with the student and parents regarding the reasons for the probation. During the probation and at the end of probation, the parents will be informed of the child's progress. After consultation with the student's teachers, the Principal will determine if sufficient improvement has occurred. If insufficient progress is noted, other disciplinary actions may be considered by the Principal.

In the Middle School, if a student's behavior is in serious violation of the Discipline Code, a conference is held with the student and parents. If a student poses a continuing threat in disrupting the educational process, the student will be removed from class, and parents will be notified.

#### Suspension

Suspension is a serious consequence that shall be used when a student is in serious violation of the Discipline Code or commits a major offense. Should it be necessary to invoke suspension, both oral and written notice will be given to the student and parents. The suspension may be either "in-school" or "out-of-school" suspension. This is at the discretion of the Principal. In-school suspension means that the student will not be allowed to attend classes with fellow students and is required to complete all regular class work for homework. A

substitute teacher will be hired at the parents' expense, and the student will complete a behavior modification curriculum. A student will be allowed one day to complete make-up work/tests for each day he/she is assigned to ISS. An in-school suspension may last up to three days. Out-of-school suspension requires that the student remain away from school under the parents' supervision. The report card will reflect an N in Citizenship if a student serves a suspension.

#### Major Offenses

1. Destruction of property, vandalism of any kind
2. Smoking or use of tobacco, alcohol or other harmful substances, or possession thereof
3. Theft/cheating/forgery/plagiarism
4. Fighting or harassment (including sexual harassment)
5. Intimidation/bullying (including cyber-bullying)
6. Leaving school grounds without authorization
7. Repeated acts of incorrigible behavior
8. Possession of a weapon and/or other potentially dangerous items
9. Claiming of gang affiliation, use or expression of gang signs or symbols
10. Other acts of behavior unbecoming a St. Francis de Sales student

#### Search of Lockers and Search and Confiscation of Student Belongings

Lockers are school property and should be maintained by school authorities to protect the safety of all. A student assigned a locker might have exclusive use, but not proprietary rights versus the school. School officials may search student lockers and personal belongings, including cell phones and digital devices on school property or at school events. Personal belongings, including cell phones and digital devices on school property or at school events can be confiscated if they are deemed illegal, unsafe, material to an investigation, or disruptive to the operation of the school. School officials have the right to protect the health, welfare, and safety of students against alcohol and drugs, weapons, and other contraband materials.

#### Expulsion or Dismissal

Expulsion is an extremely serious matter and generally every other possible solution will have been explored with the student and his/her parents prior to taking this action.

A student's continued enrollment at the school will be subject to his meeting the scholastic and behavioral standards set by the Principal and Catholic School Office. If any student fails to meet these standards and if the Principal believes that continued enrollment of the student is not in the best interest of the student or the school, the Principal shall advise the Pastor. If the Pastor and the Principal decide that the student should be expelled, the Principal shall arrange a conference with the parents or guardians of the student and explain to them the reasons for the expulsion. A written notification of the expulsion stating the circumstances and dates of the matter shall be sent to the Archdiocesan Superintendent of Schools. Parents may appeal the expulsion to the Catholic Schools Office. Immediate expulsion can take place when a student:

- sells, distributes, or is under the influence of harmful substances
- has a weapon on his/her person or in his/her possession
- engages in assault that results in serious physical injury to a student or any school personnel
- is involved in gang activities. A gang is defined as a group of two or more individuals whose purposes may include the planning, incitement, or commission of illegal acts
- has been charged with a felony
- commits persistent acts of incorrigible behavior

- makes a terroristic threat

#### Parent/Guardian Action

The disruptive, threatening or illegal behavior of a parent/guardian may result in the expulsion of that student.

#### Conflict Resolution

Conflict resolution should begin with the persons actually involved in the situation. Before allowing differences to become formalized into grievances, every effort should be made to resolve local-level disputes by way of a free and open discussion between the complainant and member of the staff, and then the immediate authority. If the matter is not then settled to the complainant's satisfaction, the complainant shall present the complaint in accordance with the following procedure:

**Level One – School Principal** If a satisfactory resolution is not reached at the resolution/conciliation level, the complainant shall state his or her complaint in writing (on a form to be provided by the Principal), setting forth the nature of the complaint, all relevant details, and the remedy sought. The following procedure shall then be utilized:

1. The written complaint shall be submitted to the principal within five (5) working days following the informal resolution/conciliation;
2. The principal will meet with the complainant within five (5) working days following receipt of the written complaint to hear the complaint and any other information that the principal deems relevant;
3. Following the meeting, the principal shall issue a written decision within five (5) working days. The principal's decision shall identify the person to whom an appeal must be delivered;
4. If the complainant is dissatisfied with the decision or, if no decision is received within five (5) working days after the meeting with the principal, the complainant may appeal to the next level.

#### Level Two – Standing Complaint Committee

The Catholic Schools Office for the Archdiocese of Galveston-Houston will establish a Student-Parent Complaint Committee for the purpose of hearing complaint appeals from Level One of the Student Parent complaint process. This committee will consist of an associate superintendent from the Catholic School office and two Archdiocesan principals.

#### Statement of Non-Discrimination:

No person shall be discriminated against, and no reprisals of any kind shall be taken against any person solely because of participation in the conflict resolution process.

(Students submitting below average work or making an N in conduct will be required to have written parental permission requesting that the student be allowed to remain in the activity until the next progress report/report card.)

Any student receiving an F or U on the progress report is ineligible to participate in extracurricular activities for a period of 2 weeks. If the student is passing at that point, eligibility will be reinstated upon obtaining written parental permission. Any student receiving an F or U on the report card is ineligible to participate in extracurricular activities for a period of 4-1/2 weeks. Parental permission does not apply in this situation.

#### Games and Events

Parents are responsible for the supervision of students who attend games or events. All students attending games or events must be supervised by a parent-appointed adult (if the parent is not attending). The behavior of any student attending a game or event must comply with the rules and regulations of the school. Students who misbehave at games or events are subject to disciplinary action. Parents should make every effort to pick up students on time.

Student athletes represent and bring honor to our school. Unsportsmanlike or disrespectful conduct to coaches or other players will not be tolerated and may result in disciplinary action including removal from the team.

## SECTION VIII PARENT SERVICE ORGANIZATIONS

### Parent Teacher Organization (PTO)

Volunteers are valued members of our school community. Catholic schools expect and need a high level of volunteerism in building community and setting an example for children. Each school family is **REQUIRED** to commit 10 opportunities of service in support of school programs and projects—see Support Our School (SOS)

All SFdS school parents are asked to be Safe Haven trained. Volunteers who assist with school activities on a regular basis must take the Safe Haven program and successfully complete a background clearance prior to engaging in volunteer services. Parent drivers must be pre-approved through [www.dps.texas.gov](http://www.dps.texas.gov) (choose 3 Year History Record). Parents should provide the school with the certificate from this website. All parent chaperones and drivers **MUST** be Safe Haven trained.

The purpose of the PTO is to promote and maintain sound educational opportunities for the children and to promote and maintain good public relations in the school and in the community. The PTO operates in accordance with by-laws approved by the School Board. The PTO also assists the Pastor, Principal, and faculty in developing educational programs by promoting volunteer programs and other services including closer parent-teacher cooperation and financial assistance when needed for the benefit of the students of St. Francis de Sales School. The PTO shall coordinate all volunteer activities and work with the Principal. Volunteers are required to sign in at the school office, receive a visitor's badge to wear, and log in service hours. Volunteers represent both the church and the school and, therefore, through action and word are bound by ethics of confidentiality and loyalty.

Parents are often asked to chaperone school events and trips. We expect that they will abide by school rules as to conduct, attire, and supervisory function. We ask that they not smoke or drink alcohol in the presence of our students. Parent drivers must be pre-approved through the school office. Forms must be filled out accurately and completely; the school will pay for the driver's record request.

### The School Advisory Board

Please refer to the beginning of this document.

### SOS Crew

The Service Opportunity Support Commitment is the agreement that all parents have with the school to support the school with service. Each family is **REQUIRED** to serve 10 opportunities of service per school year, remembering that volunteers must have an appointment to come on campus. These opportunities are available in many forms including, but not limited to:

- attendance at PTO, or School Advisory Board Meetings
- carline duty
- field day helper
- class party helper

Each opportunity "counts" for one service opportunity. Families must log their hours on the

Google Form created by the PTO.

Leadership positions in school service organizations complete the family's service commitment for the year.

Families may "opt out" of actual service by donating \$10 for one or more service opportunities not completed by May 2022. Charges for S.O.S. points not completed will be included in the May tuition invoice. Please remember that parents providing service support on campus must be Safe Haven trained.

## SECTION IX ATHLETIC POLICY

### Introduction

St. Francis de Sales School offers a variety of sports for both boys and girls in Middle School including volleyball, basketball, soccer, softball, baseball and track when there are enough participants to make a team. The Athletic Program may also include Cheerleading for all sports. Additional sports are periodically considered if there is sufficient interest on the part of the students and parents. The athletic program falls under the jurisdiction of the school and is administered by the Principal, the Athletic Coordinator, full- and part-time coaches, and parent volunteers. The St. Francis de Sales Booster Club serves as an advisory board to the Principal and assists with the administration of the program. St. Francis de Sales is a member of the Greater Houston Catholic Athletic Association (GHCAA) and is bound by all rules of the league.

### Philosophy and Objectives

St. Francis de Sales School encourages participation in its athletic program so that students will have the opportunity to experience being part of a team and to develop their physical skills and athletic talents. Even though winning and excelling are desirable parts of any athletic program, the primary objectives of our program are the development of sportsmanship and leadership qualities. In order to provide this opportunity to as many students as possible, every effort is made to maximize the number of sports and teams, the roster sizes, and each child's playing time, within the practical limits afforded by the sport. However, because of the competitive nature of athletics and because there are practical limits to team sizes, all students may not have the opportunity to participate in the sports programs to the extent that they may wish. By necessity, the process is selective. The primary goals of the younger teams are to instruct and develop skills. They will be as inclusive as possible, and all participants will be given playing time. Teams at the eighth grade or varsity level will also emphasize these goals but will include a stronger emphasis on competition and excelling and will be more selective in participation and playing time.

### General Rules of Conduct

1. Players, parents, and coaches shall remember that they are ambassadors of St. Francis de Sales School and shall conduct themselves accordingly at all times especially at games. Good sportsmanship, mature conduct, and respect for opposing players, coaches, officials, and parents shall be maintained at all times, in victory or defeat.
2. Discipline problems encountered during athletic activities will be handled with in the same manner and in accordance with the same rules used regarding discipline problems in the school.
3. Players, coaches, and parents shall treat each other with mutual respect at all times.
4. Players and parents should wait until the following day to make an appointment to discuss any specific game.
5. No student shall be allowed to participate in any athletics program unless a signed Parent/Guardian Consent Form, a Medical History Form, and a Physical Examination Form are on file in the office of the Athletic Coordinator.
6. Athletes, parents, students and fans adhere to the precepts of the Positive Coaching Alliance.
7. Fees must be paid in full prior to participation in any sport.

### Players' Responsibilities

1. Before joining a team, the player agrees and commits to attend all practices and

games unless there is a legitimate reason for absence. If a player must miss a practice or game, the coach must be so informed in advance.

2. Players are to be at practices and games on time, properly equipped and attired, and ready to play.

3. Players are expected to abide by all rules set forth herein and any other rules established by the coach. Players failing to abide by these rules are subject to dismissal from the team.

4. Players, as part of the team, will be always supportive of their teammates.
