

The Mission of St. Mary's School is to gather as a faith-filled community in union with parents to form students through the Gospel of Jesus Christ according to Catholic tradition and to provide an excellent education.

Dear Parents/Guardians and students,

The attached policies were created and implemented to create a positive faith-based educational atmosphere of learning where rules are enforced firmly, fairly and consistently to all students.

I ask that you familiarize yourself with the attached policies. (These policies were sent home on the back of the "Welcome Back" letter, but some did not realize they were there and our new families didn't get that letter.) I encourage you to go over the policies with your child/ren as well.

Signing below is evidence that parents/guardians and students have read and understand the new policies implemented in August of 2019.

Those students who know cursive can sign his/her name on the line. The younger students can print his/her name to the best of their ability. Only one form is needed per family.
