

## ST. MARY'S SCHOOL, NILES: RETURN TO LEARN PLAN 2021-2022

In-person learning has been shown to provide the greatest benefit to students, and ensuring this can happen consistently and safely during the upcoming school year has been deemed a priority for Berrien County Schools.

The *2021-2022 Return to Learn Plan* provides detailed guidance to ensure that COVID-19 prevention and mitigation measures are implemented in a way that fosters optimal learning environments while simultaneously ensuring health and safety for students and staff in Berrien County. This plan was collaboratively developed by Berrien County Superintendents with the support of the Berrien County Health Department to ensure that all Berrien County School Districts have an aligned and detailed plan for a successful return to the classroom this fall.

*Please Note: This plan may change and evolve as knowledge changes surrounding current and potential variants and availability of vaccination for younger age groups. If transmission rates change, transition time may be needed to allow the district or building to make adjustments to mitigation strategies.*

Vaccinations			
<p>No matter which color indicator Berrien County is in, the district encourages staff and students to become vaccinated. The district is <b>NOT</b> requiring staff or students to be vaccinated.</p>			

<sup>1</sup> - It is anticipated that the Director of Michigan Department of Health and Human Services and/or the Director of the Berrien County Health Department will issue a Face Covering order for this level of community transmission in which we would have to comply.

<sup>2</sup> - Handwashing and proper covering of the mouth/nose area when coughing/sneezing will be taught in all grades Pre K - 8 at the beginning of the 2021-2022 school year. Hand washing/hand sanitizing and proper covering of the mouth/nose area when coughing/sneezing will be encouraged at all times.
