

Announcements to be included in our weekly letter are to be emailed (olhcwat@dol.ca or stchrisfor@dol.ca) to us by end of day Wednesday, and it will be included in the letter of that same week.

Note: I am sorry that I have not been able email Part 2 of my Pastoral Letter dated February 16, 2021. Rather than commit and let you down, I assure you that I will continue to work on Part 2 and email it as quickly as possible.

FRIENDLY REMINDERS

Parish Administration

As we work our way through the current COVID directives, please continue to use the current phone number and email address for each parish. Both email accounts are checked daily, the answering machines once or twice a week. In the 'danger of death' please call Fr. Mark directly (519-476-9069).

Sunday Collection Counters

Hi folks, as we need some help counting the Sunday collection in both of our parishes, should you be willing to help please email me. Though I am aware that we asked for counters about a year ago, not everyone has returned to church just yet. Thanks to those who have stepped up, it is greatly appreciated.

OLHC Tax Receipt

Canada Post has made us aware that they are no longer accepting mail that does not include the intended P.O. Box number. As a result, we have had a number of receipts returned to us because of the missing information. If you have not received your receipt yet, please email the OLHC Parish Office (olhcwat@dol.ca) so we can update our files and get the receipt to you in a timely fashion. Thank you in advance for your understanding and patience.
