

Dear Parishioners

Covid update

On behalf of the Pastoral team for Our Lady Help of Christians Church, Watford, we would like to clarify the Diocesan rules for mass attendance at the present time.

1. Masks must be worn inside the church at all times for those over 2 years of age unless a medical exemption has been obtained from a medical caregiver and the parish priest has been made aware of it. People with an exemption will be seated in a designated area.
2. Everyone attending mass must provide their name and contact information.
3. Everyone must have their temperature taken upon entering the church building.  
(Maximum temperature must be below 37.5 degrees C.
4. Immediate families will be seated together. Others must be seated 6 feet apart.

While we understand this situation is not ideal, these are the rules we have been given in order to continue the celebration of mass. We are working towards returning to Our Lady Help of Christians Church in Watford for masses. We have been having mass in Forest because the size of the church allows for more people to attend.

Your co-operation is greatly appreciated.

Thank you,

Ted Minten

Deacon Tony Hogervorst

Fr. Matthew Bedard
