

In order to be able to communicate with our parishioners more quickly, we have registered Our Lady of the Eucharist with **flocknote**.

This is a technology based platform whereby we will be able to send texts or emails to all those parishioners who register with **flocknote**. Within the signup process you will also be able to sign-up for any of the following subgroups: *Religious Education, Finance Council, Parish Council, and Liturgy Committee*.

We encourage all parishioners who have a cell phone and/or have an email address to sign-up in order to be kept up-to-date with all our parish activities.

Please go to <https://flocknote.com/OurLadyoftheEucharist1> and register yourself and your family as soon as possible. Starting the first weekend in February we will send the parish bulletin to all those families who have registered.
