

Dear Parents,

Please note that our Bishop respectfully asks that you do not take pictures during the Confirmation Ceremony. We want to maintain the reverence of this most important liturgy as well as invite you to enter into the liturgy without the distraction of photos being taking during the sacred moments. The photos available to you immediately after the Liturgy are excellent! You can purchase them in the Church Hall during the reception which follows the Confirmation Mass.

THANK YOU for your understanding.

Attention Parents

It's my privilege to inform you that we will be documenting an important step in your child's spiritual life through Instant Event Photos.

Every Confirmandi will be photographed when they are being anointed by the Bishop.

Our high quality unobtrusive images are captured from afar without flash.

You will be able to witness the ceremony from your bench without fear of missing a memory photo.

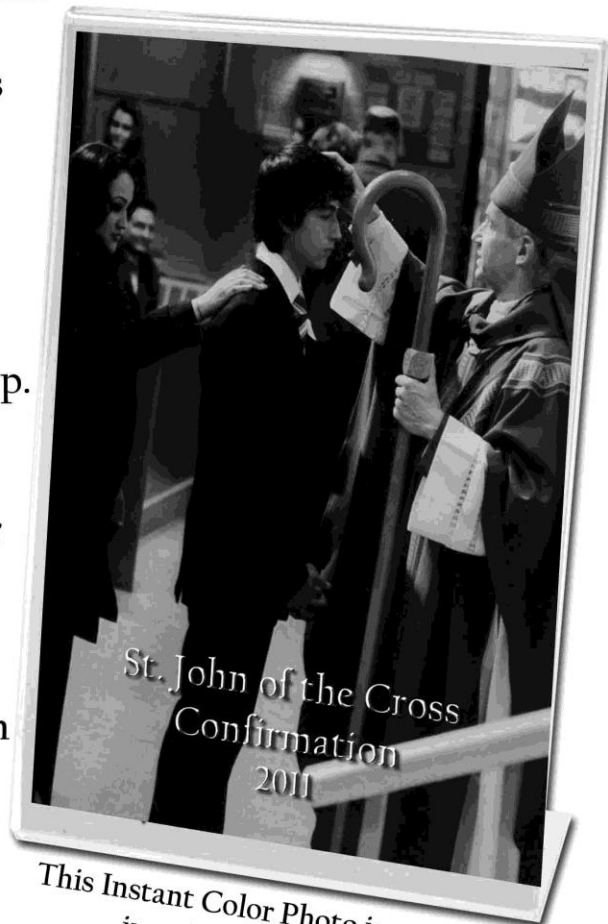

These Photos will be available for purchase immediately after the ceremony .

One Photo is \$15 - 2 for \$25
Makes a great gift for the sponsors

Photo Tips for Sponsors

Stand behind the Confirmandi not next to the Confirmandi

This Instant Color Photo is supplied in a clear plastic frame
