ENRICHING PARISH ACCESS

A WORKSHOP IN MINISTRY WITH
PERSONS WITH DISABILITIES AND THE DEAF

Featuring Dr. Paul Gondreau and Dr. Miguel Romero

Saturday, November 23, 2019 | 9:00am – 4:00pm
Archdiocese of Boston Pastoral Center
66 Brooks Drive, Braintree

This workshop will feature two keynote presentations, ASL Mass with English voice-interpretation with Rev. Shawn Carey (Deaf Priest), Panel discussions, and opportunity for a Q&A conversation with the panelists who are Deaf, have disability, and experience in raising children who are Deaf or have disability about their experience with access in the Catholic Church. Fr. Shawn Carey will be the Master of Ceremonies at this event. Refreshments and lunch will be provided with your registration and admission fee - \$15 per person.

We encourage pastors, parochial vicars, pastoral associates, catechists, parish staff, and families who have relatives with disability or deafness to attend! We are working toward a goal of building up parish support for those with disabilities and the Deaf. We look forward to meeting you on Saturday, November 23rd! Check into www.bostondeafcatholic.org for workshop registration.

ICDA Chapter 5 President's Message – Rick Johnston

Welcome to the October Fellowship Post. I want to thank you for electing me as your President of ICDA Chapter 5 for next few years. Kyle Murphy was elected as Vice-President, Corinne Brennan as Secretary and Betsy Ireland as Treasurer. Congrats to them, too! We will soon have an important meeting to fill all remaining officers' positions – Moderator, Editor and 2 Members-at-large. Then there will be new ideas coming for our reactivated ICDA Chapter 5 – we will work on membership drive, bylaws and social events. We encourage senior citizens, young people and families to join. They are the backbone for Chapter 5's future. The Fellowship Post like this issue is also important to reach many more people, friends and others of our activities. Let's make the future of ICDA Chapter 5 a success!
