Sunday, March 17, 2019 – Second Sunday of Lent

Dear Parishioners and friends,

A cordial and warm welcome to Johanna McCormack, our new principal at Immaculate Heart of Mary School!!!!

This past week, the parish principal selection committee headed by Jonathan Schild, Ed.D. from the Archdiocesan Office of Catholic Schools, after reviewing eighteen applications and conducting personal interviews, agreed by consensus to recommend to me that Johanna McCormack be invited to become the new permanent principal of our school. I was glad to accept this recommendation and approved offering her the job. Johanna enthusiastically accepted. Therefore, she will begin as the permanent principal on July 1, 2019 for the school year of 2019-2020 and beyond. Please keep IHM School, its principal, faculty, students, parents, and me in your prayers. I am counting on your full support in fostering and continuing Christ-centered education at IHM since 1952. I assure you that what we have to offer is more relevant and important than ever before. Let us not fail our youth when they are most in need.

Yours in the Immaculate Heart of Mary,
Fr. Mark G. Mazza, Pastor

P.S. More information about Ms. Johanna McCormack appears below.

Johanna comes to us from the St. Isabella School in Marin County. Johanna is an accomplished teacher and administrator, bringing experience from both the private and public sectors. Originally from the east coast, Johanna moved to California after graduating from Boston College. She completed her credential program in 1996 and began teaching elementary grades in Marin County. An opportunity came up to co-found a project-based charter school in Lake Tahoe, and so began her journey in school leadership. Johanna eventually returned to the Bay Area, secured a position as middle school director in San Francisco and obtained a Master’s in Educational Leadership with Chapman University. Other leadership experiences include head of school in Berkeley and a high school position in Fremont. In her personal life, Johanna is the mother of one amazing son, who is off to pursue his college career this fall. In her free time, she can be found reading, cycling, or hiking the trails with her Chihuahua.

"Not all of us can do great things, but we can do small things with great love"
Mother Teresa

This is the essence of a school community. Education is a labor of love comprised of a million small achievements. Taken together, the small things we do can create powerful waves of growth towards our collective goals. In the coming year, I look forward to partnering with IHM teachers, parents, students and parishioners to harness the excellence in our school and to lead with love in all we do.
