

Ascension Catholic School
Medication Permission Form 2019-2020

If your child requires medication during the school day the following rules must be observed:

- You must sign this document as evidence of your consent.
- Complete the following medication profile for your child.
- A separate authorization form must be filled out for **each** medication administered.

There shall be no liability for civil damages as a result of the administration of such medication when the person administering such medication acts as a reasonable prudent person would act under the same similar circumstances.

Medication must be in the original pharmacy-labeled bottle.

Non-prescription medication must be in the original packaging with the manufacturer's label. Over the counter medication forms will be only good for 10 days unless if accompanied by a physician order.

(Consent:) As legal parent or guardian, I hereby authorize:

(child's name) _____ to take the medication that I will provide, and authorize the school to store these medication according to school policies, and assist with administration of the medication as directed. I further agree to inform the school of any changes in medication, including changes in when the medication is taken, change in the dose, new or different medication, a reaction to the medication, or discontinuation of medication. I further understand that this consent applies to all medication, whether prescribed by a physician, or purchased over the counter without a prescription. I understand that this consent applies to this school year only, and next year I am required to sign another consent form
