

Dear Moderator,

My parents are aware that I wish to run for a position on the Student Council and of my responsibilities should I be elected.

1. **The first meeting will be held on Wednesday October 10 from 3:05 - 3:30 p.m. Meetings will be on the second Wednesday of each month at 3:05. I understand that I must attend each meeting. The meeting will last until 3:30 p.m. I am willing to meet at any other additional times as necessary. Meetings will be held in the 7<sup>th</sup> grade classroom.**
2. I must keep up my grade point average in order to qualify for the office I hold. My grades and conduct must continue to qualify or I will have to resign from Student Council immediately.
3. I must attend emergency meetings of the Student Council unless a personal emergency keeps me from doing so, in which case I will notify the moderator or the president in advance.
4. I must be willing to give up my free time to prepare and participate fully in Student Council projects.
5. I must fulfill the special obligations of the particular office I hold.
6. I must be on time for meetings and events, and stay until their completion.

My parents and I have discussed the above. They support my candidacy and have signed below.
