

Happy New Year 2019! January-March will have us creating a variety of winter projects with a couple of holidays mixed in for good measure. Please note: Monday will have 6 classes, while Tuesday/Wednesday will have 7. This is due to the Holiday closings.

For new parents : I was a St Francis parent for 17yrs. with my youngest graduating in 2012. I have a degree in Elementary Education & have been a crafter/artist/designer pretty much my whole life! I have an open door policy for parents visiting while the children are working with me, but ask that you not tweak your child's work. Only when they have the freedom to create will they succeed and boost confidence.

****To Register**** Please call 540-288-0016 to reserve your class spot or email polymercreations4u@msn.com or on the St. Francis School Facebook page notice. I will need your child's name, grade, your name, & contact number. Fill out the form below & return it the **first day of class** in an envelope with your class fee (**checks made out to: Linda Hess**). **Do not send them to the office...** I will collect the envelopes when I pick up the children. The cost for the Monday session will be \$85. For Tuesday/Wednesdays the cost will be \$95. Spots fill quickly, so don't miss out!

Be sure to make note of the calendar dates ☺

Monday- 1/14, 1/28, 2/4, 2/11, 2/25, & 3/4 (**NO CLASS 1/21 & 2/18**)

Tuesday- 1/15, 1/22, 1/29, 2/5, 2/12, 2/19, & 2/26

Wednesday- 1/16, 1/23, 1/30, 2/6, 2/13, 2/20, & 2/27

A middle school group will be scheduled 4:15-5:15ish Mon., Tues., or Wed. Please let me know your preference if your child is interested (majority rules). **NOTE:** more involved projects are worked on than with younger groups.

Feel free to contact me with any questions. Thank you for sending me your child. I truly LOVE working with all of them and sharing in their talent.

Mrs. (Linda) Hess
