

RECORDER ORDER FORM

Due December 1, 2019

Students in grades 3, 4, and 5 learn to play recorders in music class at Saint Francis of Assisi School. The school provides a recorder for your student to use during class.

Many students own two recorders – one that stays at school (provided by the school), and one that stays at home for practicing. This is an excellent way to ensure that your child always has a recorder in music class on the days when it is needed. The “home recorder” also allows your student to become confident in his/her instrument.

The cost of a new recorder for home use is \$4.00 which includes the recorder, fingering chart, cleaning rod, and storage bag. The cost of the recorder will be applied to your FACTS account.

There are a LIMITED number of used recorders which can be sanitized in the dishwasher. The cost of a used recorder is \$1.00 and will be applied to your FACTS account. These are available on a first come, first served basis.

To order a recorder for your student, please fill out the form below and send it in to the school office by December 1, 2019.

Thank you for supporting the Saint Francis Music Program!

God Bless,
Colleen Wells
