## Announcements!

- If your child does not have scissors, please send them in by 11/6. Some students had them from art last year, and others do not. While the students are very generous and willing to share, each student should have their own pair.
- I keep water bottles in the classroom for students who forget to bring them or for those who have broken/damaged bottles. I have gone through two cases of water so far this year. If you are able to donate a 6 pack of water to our classroom, I would appreciate it. If you are willing to supply us with a few water bottles, please send me an email: [harriganm.sfas@gmail.com](mailto:harriganm.sfas@gmail.com)

(Any assistance is appreciated!!)

## From the Teacher's Desk:

Hello fourth-grade families. It's hard to believe we are at the end of October. Please be sure to sign up for a virtual conference in November. Mrs. Orille sent home a sign-up genius schedule earlier this month. In November we will begin our first novel study and a service project in our religion class. As always, if you have any questions, do not hesitate to reach out to me.

Blessings,

Maggie Harrigan
