Note from the Teacher

Please ensure your child has earbuds or a headset for taking the spelling tests on Fridays.

The weather fluctuates in temperature from day to day during the fall season. Please ensure your child has a jacket or sweater for the cool days as we do go outside for recess.

Please note that when wearing pants or slacks a belt is a required part of the uniform. Please see the student handbook for uniform sock requirements. See student handbook page 44.

Academics

Religion

In Religion, we will gain an understanding of how we are called to be a priestly, prophetic, and a royal people. Saints project is due November 1st.

Math

Students will continue to divide three and four digit dividends by two digit divisors and check by multiplying. Students will explore order of operations.

Reading/Language Arts

In reading, we will continue to read *Sadako*. We will use the literary elements of character and setting to aid in comprehension. Students will begin a unit on pronouns and apply pronouns to their writing.

Science

Students will understand and investigate adaptation and survival in an ecosystem.
