Announcements!

Beginning this week Mrs. Rayhel and I are implementing a new homework policy. If a student does not turn in work on the day it is due, they have three days to submit the assignment. After the third day, the student will receive a zero. This is the policy in middle school as well. We are hoping this will motivate students to turn in work in a timely fashion. This policy does not apply to absent work.

From the Teacher's Desk:

Hello Fourth Grade Families.

It's hard to believe that we are in November with Thanksgiving around the corner. We will be collecting spices for our Thanksgiving service project. We are discussing how we can make a difference in the world by doing small things. We are donating spices because it is an overlooked item for the food pantry but is something that can make a big difference in a meal. Your child will be bringing home a note with an assigned spice to donate by Wednesday, November 18th.

It was great to "see" so many of you at virtual parent-teacher conferences. If you have questions or concerns about your child, please do not hesitate to get in touch with me.

Sincerely,

Maggie Harrigan
