Sunday, 10/4 Feast Day of St. Francis 🙏

Monday: Scientific Method test; Religion chapter 3 test

## From the Teacher's Desk:

Thank you to those that ordered from the Scholastic Book Club. Through your generosity, I was able to purchase a class set (30 copies) of *The One and Only Ivan*. We will read that later this year as a class.

The students enjoyed completing their reading test on Google Classroom this week. Please remind your child of proper online etiquette. The classroom page is for school purposes only. It is not a place to chat or create their own google meet time - per diocesan guidelines. In the past when we have had virtual days, I have an office time where students can come by to say hi and socialize with each other.

This Friday, I am assigning our first Social Studies project. The students will create a map of the 5 regions of Virginia. The map must fit inside a pizza box that I will supply to each student. They will have two weekends to complete the project with a due date of October 12th.

As always please contact me if you have any questions,

Maggie Harrigan
