From the Teacher's Desk:

Hello 4th Grade Families. I am so glad we are finally back in school and I get to see your child's smiling face (or at least half of it). We have eleven new families this year. One of my favorite aspects of STF school is the hospitality that is shown to our newcomers. *The 4th grade student schedule went home in your child's red folder.* This folder goes home on Mondays, or the first day of the school week, and gets signed & returned the following day. You keep the work at home and return the signed homework notification form.

I have attached a parent perspective form below for families that did not have an opportunity to complete it over the summer. I have also attached Back to School information slides in the newsletter.. They give an overview of our procedures and expectations of 4th grade. I will go into further detail and be available to answer any questions you have at our virtual back to school night on Wednesday. The link for the meeting will be sent to you on Tuesday, 9/1. If you have any questions, please do not hesitate to get in touch with me.

Blessings,

Maggie Harrigan
