Monday, September 21: chapter 2 Religion test  
Wednesday, September 23rd: Chapter 1 Social Studies test  
Friday, September 25th: Scholastic Book Order due

## From the Teacher's Desk:

Hello St. Francis families. I hope you all feel like you are beginning to settle into a routine now that we have been in school for 12 days. 😊 During school days this week, the students will receive their google classroom (GC) account information. We will practice joining a classroom, reading assignments on the stream/classwork tab and completing an assignment. Please feel free to have them show you how they navigate through it. They will receive a sticker on the inside of their agendas with their specific GC username and code. Throughout the year I will assign work to be completed via GC - whether we are in-person learning or virtual. I will also have the students join a GC help page for you and them. It will be a resource for uploading assignments, videos, etc.

I have included a link in this newsletter for Scholastic Books. The hard copy went home in the Monday red folders. With our school library being closed, this can be an option for you to purchase a book for your child. You may order online or return the paper copy to school with your child. The link will include class code information. The deadline for ordering from this bookclub flier is Friday, September 25th.

Starting this week, we will be reminding the children to have a book at their desks. The students are welcome to bring a book from home or use one from our classroom library. Reading for pleasure is one of the options the students have if they finish their work early. Additionally, the week of September 25th, students will need to have a book to read between Scantron tests.

Have a blessed week,  
Maggie Harrigan

## Announcements:

- **Earbuds are due!** If you are new to STF, we need earbuds for Scantron testing. Please send in ASAP.
- [scholastic book club link](#)
- Please send your child to school with a water bottle and snack. We have a snack every morning between 9:45-10:15 a.m.
