Note from the Teacher

Mrs. Miranda and I wish you a very Blessed New Year!

The week of January 5th we will keep the same virtual learning schedule as before Christmas. Your student will log into Google Classroom for the Zoom links.

I appreciate the students keeping up with the assignments in a timely manner.

When we do return to the classroom please ensure that your student is supplied with pens and pencils.

Next week we will begin using Vocabulary A to Z for spelling assignments. Your students' login information, username and password will remain the same.

Academics

Religion

In Religion, students will understand the parts of the celebration of Confirmation and the symbols and actions of the celebration.

Math

Students will multiply fractions and mixed numbers and express answers in simplest form.

Reading/Language Arts

In reading, we will read *Tricky Tales* and *Tales from Around the World*. We will summarize and compare and contrast to aid in comprehension. Students will continue to increase vocabulary. They will understand adjectives that compare and apply them to their descriptive writing.

Science

Students will review biomes and explain what life is like in the biomes; climate, plant and animal life.
