Virtual 5K

Thank you to all our Virtual 5K participants! Medals were sent home last week. T-shirts will be ordered once we have sizes from all participants that raised \$75. We anticipate they will be sent home within the next 2 weeks.

Finance News

PTO Fundraising Fee: If your family has not met the \$150 minimum fundraising goal upon completion of all school fundraisers, the balance will be charged to your FACTS Tuition Agreement and deducted on the same date as your May tuition. This year's school fundraisers included Claire's Gourmet, Joe Corbi, Virtual 5K, and being a business sponsor. If you have any questions, please contact Lisa Bongiorno at lbongiorno@stfrncis.org.

Art News from Mrs. Hess

Parents: Have you checked out Artsonia lately? New art has been uploaded to your student's page(s). If you still have not registered your student, there is still time. If you have lost your coded slip, (each student has his/her own portfolio code) please let me know and I can send you a duplicate. Every purchase from Artsonia earns classroom funds for materials that I may not normally be able to purchase (ask your middle schooler about the "good" watercolor paper). To date, we have earned over \$500 and have redeemed \$165 towards classroom materials. My huge wish is to purchase a few iPads specifically for the Art classroom to use in digital art projects. Dads: Mother's Day is quickly approaching. Think about having a piece of your child's art on a necklace, trivet or something else for mom or grandmom.

DAILY HOME HEALTH SCREENING FOR STUDENTS

Dear Parents,

Screening, monitoring and testing are essential components of limiting the spread of COVID-19. An important aspect of keeping our school community safe is actively encouraging sick staff and students to stay home if they are ill and emphasizing to all the importance of knowing the symptoms of COVID-19. Parents should assess all students for symptoms of COVID-19 daily before reporting to school.

Parents of all students are required to assess symptoms of their children daily for risk of spreading COVID-19 illness to others, before arriving at school.

“YES or NO, since my child’s/children’s last day in the building, have they experienced any of the following symptoms:”

- *Temperature 100.4 degrees or higher, chills?
- *Muscle/body aches?
- *Sore throat?
- *New uncontrolled cough that causes difficulty breathing?
- *Diarrhea, vomiting or abdominal pain?
- *New onset of severe headache, especially with fever?
- *New loss of taste or smell?
- *Had close contact (within 6 feet of an infected person for at least 15 minutes) with a person with confirmed COVID-19?
- *Travelled internationally or to a high-risk area?

If a parent answers YES to any of the screening questions before arriving at school, they should stay home and not enter the building. Parents are required to notify Anne Young R.N., Director of Health Services.

Your strict adherence to this daily requirement is greatly appreciated, in our efforts to maintain safety and well-being for our parish and school community.
