Academics

Religion

In Religion, students will discuss the Healing Ministry of Jesus, the sacrament of the anointing of the sick, and how we are all called to live as Disciples of Christ.

Math

Students will understand measurement and continue to learn area of parallelograms and triangles.

Reading/LA

In reading, students will read *When Esther Morris Headed West* and discuss suffrage. They will use fact/opinion as a comprehension strategy. Writing good fifth grade sentences and understanding the complete subject and predicate will be reviewed.

Science

Students will gain an understanding of the musculoskeletal system of the body.
