

Supply list for the 2021-22 school year

Dear Parents,

To follow the guidelines set down by the CDC we will not be able to share materials in Art class for the near future. For this reason, we shall be returning to the Art Bag system. Material bags will be stored in their classrooms, for use during core classes as needed. If you have any issues with getting materials for your child or children, please contact me at hessl.sfas@gmail.com and we will work it out. Thank you in advance.

Place all materials into a 2gallon Ziploc baggie labeled prominently with your child's name

PLEASE Make sure your child's name is on ALL materials!

For the beginning of the year, I would like students in **PreK** to bring either a container of baby wipes OR Clorox/Lysol wipes. These will help speed the clean-up procedure at the end of each class.

Again, if you have any questions or issues with getting materials please contact me at hessl.sfas@gmail.com. I look forward to a creative year! Thank you.
