

Spirit of Christmas 2020 - Casa Juan Diego

Casa Juan Diego is a non-profit Catholic Worker center in Houston that provides services to those in our society who are among the most needy—battered or pregnant women and their children, immigrants, families struggling without proper subsistence or shelter. The center provides shelter for 100 men, women and children at a time, and gives food and clothing to about 500 families a week. Medical and dental care are also offered.
