

## From the Library

Fun learning activities students can do while away from school:

1. Listen to a story read aloud from an astronaut in outer space.

[www.storytimefromspace.com](http://www.storytimefromspace.com)

2. Listen to famous actors read a picture book aloud.

<https://www.storylineonline.net>

3. Learn how to draw with Mo Willems, author of the Pigeon Books.

<http://pigeonpresents.com>

4. Watch an animal live from their habitat.

<https://explore.org/livecams>

5. Learn how to code.
