

## SUPPLY LIST FOR JR. KDG. AND PRESCHOOL CLASSES 2021-2022

### All students:

- 2 boxes of Kleenex
- 2 pkg. of paper or plastic cups (I prefer 5 oz. size if you can find them)
- 2 boxes of crayons
- 1 large pkg. of napkins
- 1 pkg. of small or large paper plates (the cheapest, untreated kind, for crafting mostly)
- 1 box of gallon or sandwich size baggies
- 1 bottle of glue

If this poses a financial hardship for anyone during this difficult economy, then just do what you can. I am grateful for any contributions to our classroom.

If you are feeling generous, we can never have too many googly eyes, funky foam, construction paper or any other crafting items that you think we might use.
