

October 16, 2020

Dear NCJLS Exhibitors, Family, and Friends,

2020 has been a trying year for everyone. COVID and social distancing have interfered with all aspects of our lives, from school to birthday parties to something as simple as going to the movies. We are all trying to do our part to stay safe. At the same time, we must stay focused on creating an environment that fosters personal growth through the experiences of life. I am proud to say that your NCJLS Board, along with the many Committee Members, have been working diligently to plan for the 2021 Show. The unknowns we face into the winter months simply rule out “business as usual” as a possibility. The decisions we have had to make in order to carry out our show safely have not been taken lightly but had to be made early enough to allow exhibitors, as well as divisions, ample time to plan. After much deliberation, we have come up with a revised schedule of events for our 2021 show. The general format will be mostly one-day shows, arriving in the morning and leaving that afternoon or evening. The logistics and timing are still being worked out, but we believe the attached schedule will ensure that we can hold all contests safely. Unfortunately, the unknowns into 2021 have forced us to cancel some events, the BBQ cook-off, carnival, and livestock judging, just to name a few.

We will do our best to communicate any additional changes. Please continue to check the NCJLS website and our Facebook page on a regular basis for any announcements. I want to personally thank my fellow Board Members and all the Committee Superintendents and Members for the outstanding job they are doing. Stay safe.

Daniel Bluntzer  
2020-21 NCJLS President
