2021 NCJLS Rabbit Division Show Procedures

As you are all very aware 2020 has seen many changes in the way that we live our lives as well as how organized functions operate. The below outline is a reference of what to expect during the 2021 NCJLS Rabbit Show however we may need to adjust the plan as needed the day of the show. We, the rabbit committee would like to say thank you in advance for being patient with us as we work through this plan to deliver a show that has definitely seen its share of challenges along the way.

The day of the show, January 12, 2021, sifting will start at 7:00 AM for all divisions (Breeders, Market Pens and Fryers). For sifting this year, we will have 2 tables setup: the 1st table will be for the Market and Fryer Rabbit Show Entries and the 2nd table will be for the Breeding Rabbit Show Entries.

IN ORDER FOR US TO MAKE THE SHOW EQUITABLE FOR ALL EXHIBITORS WE ARE REQUIRING ALL EXHIBITORS TO BE IN THE SIFTING LINE WITH ALL OF THEIR RABBITS, INCLUDING ALL OF THEIR ALTERNATE RABIBITS BY 8:00 AM. NO EXCEPTIONS.

Notes:

1. If during Sift, Market/Fryer Show, Breeder Show or Showmanship an exhibitor needs to be in more than one place at one time, they will be allowed to have a parent or sibling stand in for them during their absence.
2. Market Pens will be judged by Randy Shumaker. The judging of the market pens will allow the judge the opportunity to check each individual pen. The judge will be looking for a pen of 3 that are identical to advance the pen to the show arena. **Not all Market Pens will make it to the Final Show Arena.**
3. **Market and Fryer Rabbits will be allowed to have Water Only while in their carriers. No food or hay will be allowed in their carriers.**
4. Due to COVID-19 limitations and this being a one-day show, the Market Rabbit and Breeding Rabbit Divisions will be judged simultaneous by two different judges.
 - a. Market Rabbits will be judged by Randy Shumaker
 - b. Breeder Rabbits will be judged by Mary Jo Terry
5. Showmanship will start immediately after the conclusion of the breeder show and will be judged by Mary Jo Terry.
6. Ribbons that will be given:
 - a. White Ribbons will be given for rabbits that are found to be underweight at sift and they will not be eligible for Add-Ons.
 - b. Red Ribbons will be given for all other disqualifications. Red ribbons are eligible to receive Add-Ons.
 - c. Blue Ribbons will be given to the market pens that are eligible for the sale.
