January 7, 2021

Dear NCJLS Exhibitors, Guests, and Volunteers,

We was just informed that more vaccine than was expected is “very likely” to come very soon. To make accommodations, **NCJLS will be using the Revised Logistics map (attached) beginning Monday, January 11th through Friday, January 15th**, rather than just Tuesday and Wednesday as first reported.

This is not a major change from what we released earlier this week. The biggest change will be for the Homemaking and Ag Mech Entrance. Rather than using Shamsie Blvd off of Hwy 77 to enter, Homemaking exhibitors and judges please use the south entrance off of East Main between the baseball park and old bank building. Likewise, all ag mech and livestock exhibitors should use the south entrance by the horse arena for their entry and exit.

Please remember to always wear you mask and have your wristbands ready to be checked upon arriving at the fairgrounds.

These plans could change, so please stay tuned via our website and Facebook for details.

Thank you again for your patience and support for our exhibitors.

Daniel Bluntzer
2020-21 NCJLS President

NCJLS Logistics: Jan 11-15 (Mon-Fri)
