

# MANAGER SPOTLIGHT!

## Lenor George St. Stephen Catholic School

Lenor George has been employed by School Food and Nutrition Services (SFNS) for 11 years. Lenor started as a Cafeteria Technician at Archbishop Shaw in December 2009. She was transferred to Our Lady of Prompt Succor (OLPS) in Westwego. Lenor was at OLPS for 2 years when she signed up for the Manager-In-Training Program. In 2013, Lenor was promoted to Cafeteria Manager at St. Mary's Academy Elementary School. She was at St. Mary's Elementary for 3 years. She was transferred to St. Andrew for one year and then was transferred to St. Stephen Catholic School. Lenor has been at St. Stephen for 3 years.

Lenor loves her students and her staff. Lenor refers to the students as her "children" and she doesn't want to let them down. Lenor and her staff do what is needed to ensure that the "children" receive a complete nourished breakfast and lunch. That is their priority! They come to work and get the job done. They check their equipment and inventory to ensure that their day runs smoothly. Lenor works hand and hand with the school staff at St. Stephen. They work well together and always put the "children" first.

Away from work, Lenor loves to spend time with her family and just relax. Lenor has six grandchildren, one great-grandchild and one great-grandchild on the way.

*Thanks, Lenor! SFNS is delighted to have you on our team!*
