Dear Families, Faculty, and Staff,

As you are aware, we are still in the midst of a pandemic with COVID-19. We have so much to be thankful for in our schools and families during these upcoming holidays. Let us acknowledge the hard work and dedication of all of the Catholic school employees throughout the diocese who continue to work to educate and keep our students safe. Our schools have done a fabulous job with their protocols in place to safeguard our students and staff during the school day. With your partnership at home, we have been able to stop widespread outbreaks within our schools. For that we are most thankful.

With the upcoming Thanksgiving and Christmas breaks, we ask that you remain conscientious about limiting any possible exposure to COVID-19, especially if you will be traveling. Continue to protect yourself and others from COVID-19 by wearing a mask, avoiding contact with anyone who is sick, and washing your hands.

In addition, please keep in mind that some international travel may require a 14-day quarantine upon your arrival back in the United States. Please refer to the CDC for their guidelines when/if you are returning from international travel.

Let us pray for all those who have contracted COVID-19 and for all their families as they work to restore their good health.

May God bless you and your families,

Deacon Scott J. Conway
Superintendent of Catholic Schools
