GIVE VOICE FOR THE VULNERABLE
All-week Call Campaign
With the RHA, our NY Legislature has already passed one aggressive bill against life. Now, Physician Assisted Suicide may become law. The whole Archdiocese will act this week to make our voices heard that these laws are not acceptable.
Please call your State Assemblymen and Senators this week.

ARCHDIOCESE of NEW YORK
RESPECT LIFE OFFICE
"As your constituent, I have been very disappointed in this year’s legislature, particularly in the January 22nd passage of the Reproductive Health Act. I now urge you to oppose any legislation that would legalize doctor-assisted suicide. This legislation treats ‘death’ as a medical treatment and is particularly dangerous for some of the most vulnerable citizens of our state: the elderly, the poor, the depressed, and people living with disabilities. I’m calling to ask you to oppose all efforts to legalize so-called “medical aid-in-dying,” which is doctor-assisted suicide, such as Assembly bill 2694 and Senate bill 3947. Thank you for your time.”
